All buyers should complete the Seating Request Form. Due to the large number of people in attendance, seats in The Showroom at South Point are reserved for buyers, sellers and those who have established credit with The IntArah Group. However, this form is optional, and not required for you to enter the Auction or buy a horse. There will likely be ample alternative seating and standing room in The Show Room so you can be very comfortable even without an assigned seat. Seat Requests must be made by no later than April 1st 2017.
