## People Care About Our Community

### LIFE Group updates:

We've got two NEW groups that are just starting! Jonathan Woodbury and Adam Drake have resurrected the "Mud in the Morning" men's group which will meet every Wednesday morning at 6 AM (meeting at Jonathan's shop... near Glover Rd and 56th Ave). Join the guys for an early morning coffee and discussion time.

Tyler Schacter's Bursting Your Bubble study group met for the first time last week, but the group is wanting others to join. Learn faith sharing skills, pray for your friends, and get advice from others who are doing the same thing.

It's never too late to join a LIFE Group. Join others from JRCC in small group environments that are committed to spiritual growth and life transformation. For more information, speak with Pastor Keith.

## IMAGINE A PLACE WHERE...

People Connect With Each Other

### First Nations Partnership:

We're pleased to have Temera Williams join us today to share her story and teach us about First Nations people. Temera's indigenous name is Tsegw'alin'ak. As a First Nations Christian, God has given her the vision to share Christ with her people. Her dream is that He will raise up First Nations people who worship and honour Him fully. Temera anticipates being a part of equipping, training, and sending First Nations believers to participate in the Great Commission. Her prayer is that the Lord will raise up First Nations leaders who glorify Him with a servant attitude and a desire to be in His will.

### Careforce International:

Kellie Sumner (yup, she's related :), works with Careforce, a ministry devoted to bringing help, healing and hope to children in need around the world. Since 1997, Careforce has been working directly with First Nations youth on reserves in Canada, exploring and developing their potential so that they will lead their communities to health and vibrancy. The needs of these at-risk youth across the country are vast and Kellie and various teams have spent significant time in First Nations communities across eastern Canada developing leaders through sport, the arts, and educational leadership. Visit them online at <http://www.careforceinternational.ca>.

### GLOCAL MISSIONS

Let it snow! Let it snow! Let it snow!

Let's send a "Canadian Christmas" to the Lim family who are celebrating their 1st tropical Christmas in Malaysia. They are really missing Canada so we want to send a "Christmas from Canada" package in 2-3 weeks. This week, the kids will be making cards for the Lim family and are encouraged to bring in stickers or candy or female hair accessories or a small colouring book, etc. For more information, please connect with Renée Wikkerink or Tim Bonnar.

### Praise/Prayer Corner

- Please pray for our fellow believers in Orissa, India who are enduring severe persecution for their commitment to Jesus. Thousands of people have had their homes destroyed and the lives of many believers have been threatened. This is an urgent time – please pray for their safety.
- Peter and Joyce Sands left for Shanghai, China on Friday to complete the adoption process for their daughter Kayla. Please pray that the adoption will go smoothly and for the safety of all.
- Pray for Pastor Brad as he speaks in Chapel at TWU tomorrow.
