- Media: Remember to begin recording as soon as Brad begins preaching
- Teaching Summary: Any gospel that ignores suffering or projects an image of Christians as 'perfect' people who have everything together is merely image management (see Dallas Willard) and not a true picture of reality.
- Message Objective: To prepare people for the hard experiences of life and to give them a biblical theology of suffering
- Text: **Philippians 1:20-30 (emphasis on verses 29 and 30)**
- Media: PowerPoint slides for message (Brad to e-mail or bring)
