

Getting Started (Everyone Answer)

- As you read Chapter 2 of *Radical*, what jumped out to you? Good or bad.
- Have you ever been really hungry (or passionate) about something? Describe that time.

Digging Deeper

-Read Psalm 63:1-8

- Platt wrote in the beginning of chapter 2 about some believers who knew what it was like to thirst for God. Do we have that same thirst? Why or why not?
- Why is the Psalmist satisfied with God?
- Are you always satisfied with God? Why or why not?

Bringing It Home

- What do we typically hunger and thirst for instead of God? Why do we pursue those things?
- Last week Greg challenged us to abandon our shoes at the end of the service. In your Journey Group time, you were asked to think of ways your group could impact the world around you together. We can do all these "radical" things, but if we are not desperate for God's Word, what is the point? So this week, we are challenging all the groups to spend 90 minutes a day pursuing God. It doesn't have to be done in one sitting, but spend time in pursuit of God. Will your group make a pact together to accept this challenge? Will you keep each other accountable?
- Pray for a hunger to know God and His Word to grow within you, your family, your group, and our church.
