

Getting Started (Everyone Answer)

- As you read Chapter 6 of *Radical*, what jumped out to you? Good or bad.
- What is your most prized possession? Why?

Digging Deeper

- Read 1 Timothy 6:6-10.
- What does it mean to be content?
- Why is important that we learn to be content?
- What is the challenge to us as "rich" Christians?

Bringing It Home

- Platt said the way we use our money is a barometer of our present spiritual condition. Do you agree? Why or why not?
- Platt says we (our culture and American church) don't believe our wealth can be a barrier to entering the Kingdom of God and that affluence, comfort, and material possessions are blessings. Has this been the way you have thought - that wealth is to your advantage?
- On page 121, Platt asks this question: Are you and I looking to Jesus for advice that seems fiscally responsible according to the standards of the world around us? Or are we looking to Jesus for total leadership in our lives, even if that means going against everything our affluent culture and maybe even our affluent religious neighbors might tell us to do?
- Are you planning on participating in the \$2 a day challenge? What do you anticipate being the most difficult part?

-Please pray for the 3.5 million orphans in South Africa. Pray for The Fold (orphanage in SA). Pray for Paul and Micky Prince and they lead The Fold. Pray specifically for Anna. She has just come to live at The Fold. She has not had a stable life and was not in school when she came to The Fold. Pray for her as she adjusts to school and to living in a new home.
