A Record of God's Salvation  
A Record of God's Redemption  
A Record of God's Power

## **Journey Group Lesson for "A Record of God's Redemption" – December 18, 2011**

### **Getting Started**

What does it take in order to "rescue something"?

There are commercials all over television asking you to rescue pets from shelters. Why do they want us to rescue animals? Is there any correlation between that and our spiritual lives?

### **Digging Deeper**

Read Luke 21:10-28

What is Jesus talking about? How does this section of Scripture apply to us today?

Read Ephesians 1:7 & Colossians 1:13-14

In both passages, who is Paul talking about?

What are we redeemed from?

Why do we need to be redeemed?

Read 1 Peter 1:17-21

After reading this section and thinking about redemption, does the way you look at the cross change? Why or why not?

### **Bringing It Home**

What does it mean to you to be redeemed?

What part do we play in the redemption of others?

Spend some time praying for your group.
