Sermon Series

## Journey Group Lesson for “Submit” – March 4, 2012

### Getting Started

What is the wisest thing that someone has ever said to you? How has that wisdom helped you? Have you passed that on to others?

### Digging Deeper

Read James 3:13-18

What are “deeds done in humility”? (verse 13)

James makes a list of what wisdom is in verses 17 and 18.

-What does pure wisdom look like? ...considerate wisdom? ...submissive wisdom?  
...wisdom that is full of mercy and good fruit? ...impartial wisdom? ...sincere wisdom?

James says in 1:5 that if we ask for wisdom that God will give it generously. What kind of wisdom is James talking about?

Greg gave us 4 things to do to help us submit to God. Do you remember what they were?

How do each of those things help us to submit to God?

### Bringing It Home

Why do Godly wisdom and submission go hand in hand? Can we have one without the other?

How does submitting to God change our hearts?

How can your group pray for you?
