Journey Group Lesson for “Foster Care Awareness” – May 20, 2012

Getting Started

Do you have any friends that grew up in foster care or know families that cared for foster children?

What is your initial reaction when you hear that there are over 8,300 children in the custody of the Oklahoma Department of Human Services?

Digging Deeper

Read John 13:34-36

How do these verses relate to foster care?

Why does it seem that Christians accidentally ignore this aspect of love?

Read Psalm 82:3-4

What kind of ‘justice’ can you give to children in need?

Would it seem more heroic if we were reminded by words like ‘rescue’ & ‘deliver’? Does it change your attitude towards the need?

Read Isaiah 1:17

Is it easy to respond to a need like children without a place to go?

How can you ‘learn to do good’ as the scripture references?

Bringing It Home

Put yourself in the shoes of the fatherless. What would you hope humanity had to offer you?

We have asked people to take a radical step in faith. How might this relate to a global mission or other local missions?

Spend some time thanking God for his continual care for us and our children. Pray that your group will commit to respond to the needs that the OKDHS has. Challenge each other and commit to making the 111 Project a success.
