

RADICAL TOGETHER

UNLEASHING THE PEOPLE OF GOD FOR THE PURPOSE OF GOD

Journey Group Lesson - September 30, 2012

Getting Started

Have you ever been a part of a group of all-stars in any field of life? Sports, work, etc? Share your experience with the group.

Do you think it's possible for every successful organization to build an all-star squad? How about the local church? How feasible is it to have the most effective communicators, most brilliant organizers, and most talented leaders and artists in every ministry in the church?

If churches find out that not every ministry team can have the best of the best, how should we organize our ministries?

Digging Deeper

Read 1 Corinthians 3:16

How much do we buy into that question that Paul is asking the church in Corinth?

What do we find ourselves relying on to complete the work in and out of the church instead?

Play Lesson 4 video from the DVD or: <http://youtu.be/p8tKpghWJSw>

Read Ephesians 4:11-16

What is the responsibility of leaders in the church according to this passage?

What is the goal of the 'team' at the end of this passage?

How might our church look different if every member (even the 'wrong' ones) were fully involved in serving Christ?

Bringing It Home

Who is the most recent person you had the opportunity to lead to Christ and then disciple and who is now discipling others? What did you learn in this process of making disciples?

What are the most significant obstacles you face *personally* when it comes to prioritizing disciple making? How can you overcome these obstacles? What about the obstacles our *church* faces?

How can you best lead our church (or a specific ministry) to reproduce disciple makers?

Spend some time as a group praying for a calling to become more focused on disciple making. Pray that the church shares the vision of disciple making with others as well.
