Journey Group Lesson “The Story: Deliverance” – February 3, 2013

Getting Started

Tell about a person you know who has overcome obstacles and accomplished surprising things.

What about that person encourages you?

Digging Deeper

Read Exodus 3:14

How can embracing the reality that the God we worship is the eternal “I AM” help you face the challenging moments of a normal day?

Read Exodus 4:10-12

How did Moses see himself and his abilities and how did God see him?

Have you ever had a conversation that may have sounded something like the one Moses had in this passage? Tell the group about your story.

Give examples of how God can see us one way and we can see ourselves very differently. What can we do to increase our ability to see ourselves from God’s perspective?

Bringing It Home

Tell about a time you were minding your own business, and God showed up, revealed himself, or spoke to you in some surprising way.

Randy suggested that the best thing we can do is to say yes to God, even when we do not feel adequate for the task ahead. Tell about a time when you dared to say yes and followed God, even when you were afraid. How did God show up and lead you?

What is one area of your life where you tend to focus more on your limitations than God’s ability to work through you?

Ask God to help us to see ourselves through His eyes more than through our own eyes.
