

Ridge Group Lesson “Crowds Grow as Jesus Reveals Power” – February 23, 2014

Getting Started

What is your favorite miracle that Jesus did? Why?

If Jesus was here today, what miracles do you think he would be performing? Why?

Digging Deeper

Read Matthew 8:10

Why do you think this amazed Jesus?

Greg said that “big faith” is what amazed Jesus. How do we have “Big Faith”?

Read Mark 5:19-20

Why do you think the people were amazed?

How do the demon-possessed man’s actions after Jesus delivered him serve as an example to us?

If you were going to follow Jesus’ advice that he gives the man, what would you tell people that the Lord has done for you?

Bringing It Home

Jesus violated social taboos to reach out to those marginalized not only racially, economically and religiously – but also morally. The woman Jesus forgave and allowed to anoint Him could have been a prostitute and was at least a woman with “loose morals.” What does this show about Jesus’ love for us?

Greg mentioned 6 things that Jesus had power over (Space and time, Death, Sin and Condemnation, Nature, Satan and demons, and Illness and Isolation.) Which one amazes you the most about Jesus?

What is the difference between believing in Jesus and just believing Him?

Spend some time praying together as a group.
