

# The Neighbors

## Sermon Series

**Ridge Group Lesson “Right Here Right Now” – May 11, 2014**

### **Getting Started**

Did you complete last week’s challenge to do a prayer walk in your neighborhood? How did it go?

### **Digging Deeper**

Read Acts 17:26-27

When you read verse 27, what do you think that Paul is saying?

When you realize that God has placed you where you are on purpose, how does that make you feel? Does it change the way you look at your neighbors?

Read Galatians 2:20-21

What does it mean to be crucified with Christ?

Why is verse 21 such an important verse?

### **Bringing It Home**

Greg used the phrase “You’re in your hood for something good.” Do you believe that? Why or why not?

What good thing do you think you have been placed in your neighborhood for? How can you be the hands and feet of Jesus in your neighborhood?

The challenge for this week is to get to know some relevant information about your neighbors. How do you plan on completing this challenge?

How can your group have an impact in the neighborhood that you meet in?

Spend some time praying together as a group.
