

Ridge Group Lesson "Reciprocation" – September 20, 2015

Getting Started

How have you received grace this week?

How have you offered grace this week?

Digging Deeper

Read Colossians 3: 12-14

What does it mean to clothe ourselves with "compassion, kindness, humility, gentleness and patience"? How do we do that?

How do we forgive like God forgave us? How is that different than what the world practices today?

Why do you think that love is what binds everything together? How have you seen the truth of Colossians 3:14 play out in your life?

Bringing It Home

What is the difference between vertical grace and horizontal grace?

Why is it hard to offer grace to others, especially when they offend us? How can our responses in situations like that point people toward Jesus?

In talking about grace, Greg said, "Don't extend sparingly what you've received from God abundantly." When you hear that, what is the first thing that comes to your mind?

How are forgiveness and grace related? Can you have one without the other? Why or why not?

Spend some time praying together as a group.
