

Ridge Group Lesson “Representation” – September 27, 2015

Getting Started

Where are places you can go where you can expect to receive grace?

In this series, which topic on grace did you connect with the most and why? (Seasoned with Grace in our...Expectations, conversations, reciprocation, and representation.)

Digging Deeper

Read [Colossians 4:5](#)

Why is it important to be wise in our interactions with outsiders? How do we act with wisdom?

How does being wise help us to “make the most of every opportunity”?

Read [Romans 2:1-4](#)

What is Paul saying when he says that “God’s kindness leads you toward repentance”?

Bringing It Home

Why do you think the non believers believe that judgmental is good way to describe Christians today? What can we do to change this perception?

Greg said, “People aren’t so much shamed into changing their behavior, as they are inspired. This is why grace is so powerful.” What do you think that statement means? How do we as believers inspire others to change their behavior?

Greg gave us 4 things to do. Listen more-talk less. Avoid labels. Empathize. Be genuine. Which one of the 4 is the easiest for you to do and which one is the hardest?

Spend some time praying together as a group.
