King of the Jungle: Preschool Narration 1

Narrator

Hello Folks! My name is Safari John and I have been having a “wild and wonderful” time with all the preschoolers this week.
We have been talking about the jungle, wild animals, and all those things that get me so excited!
We have also been asking some very fun questions like:

Who is King of the Jungle?

Who is King of the Sea?

Who is King of the Universe?

And children.....Who is King of Me?

Children

J-E-S-U-S! Yes!!

Narrator

That is right! Jesus is King over all things!

We started out the week by re-discovering the Universe that God created.
We cruised in a spaceship that took us “out of this world”
and into the starry skies of the Universe.
Kids, will you remind me....Who is King of the Universe?

Children

J-E-S-U-S! Yes!!

Narrator

Oh... that’s right kids! Jesus is King of the Universe. Our Father in heaven and Jesus, His son - created the whole universe, including the stars. The stars are one of God’s most impressive creations. The stars don’t speak with words like we do, but they speak in their own way. How do the stars speak kiddos?

Children

(Kids singing....)**Twinkle, Twinkle little star**

Narrator

Yes kids, every time we see the stars they twinkle, and remind us of the God who created them. We are not the only people who can see the stars. They can be seen all over the Earth by all the people on this Earth. In some places in the world there are people who don't know about God. The stars can speak to these people by making them wonder who it was who created the stars and maybe someday they will understand that there is a God who created the stars and is
King of the Universe.

Memory Verse (Special Part)

“By believing God – we know that the universe was made at God’s command.”

Hebrews 11:3

King of the Jungle: Preschool Narration 2

Narrator

When we think about how wonderful the stars and universe are,
it might seem like they are one of God's most wonderful creations.

But there is something that God created
that He cares for even more than the stars.

Children can you guess what that is?

Children

People!

Narrator

That's right kids...God's love for us
is even greater than all the stars in the sky.
God really loves all the people in the world.

Children

The WHOLE world.

Narrator

He loves the good, the bad, the rich, the poor, the young, the old, the sick, the healthy, the angry,
and the joyful. He loved us all so much that He sent His one and only son to die for us on the
cross! God wants us to tell the whole world about Jesus, but He knows that we cannot do this on
our own. Kids... what do we need to do to share with the whole world who Jesus is?

Children

Pray, Share and Love Others

Narrator

We need to pray that God will bless us and our world. We need to share the Word of God so that
others will learn about him. We need to love others because God wants the **whole world** to
know about him and to praise him as **King of the World**.

Now kids, and families too, raise your right hand if you are happy to know that God loves the world. Keep them up! Now, Raise your left hand... if you are happy Jesus took our place on the cross. Keep them up there! Now wave those hands... if you want to live in heaven with God and Jesus forever and ever and ever. Woohoo!

Children

Woohooo!!

Memory Verse (Special Part)

“For God so loved the world that He gave His one and only son that whoever believes in Him shall not perish but have eternal life.”

John 3:16

King of the Jungle: Preschool Narration 3

Narrator

Now we know that Jesus is the King of the Universe and the King of the World and if He can be King of all that, then SURELY He should be King of the family. Our heavenly Father loves us so much he planned for each of us to belong to a family that needs and loves us. Kids, who planned for you to belong to a family?

Children

J-E-S-U-S! Yes!!

Narrator

That's right! Even Jesus was born into a family when he came to earth. God created families so that we could love each other, and take care of each other. Everyone in a family is important.

Children who took care of you when you were first born?

Children

Our Family!

Narrator

That's right kids! The family is central to the plan of salvation. Our Heavenly Father has established families to bring us happiness and prepare us for eternal life. It is important that family members love and care for each other. We show our love by being helpful and respectful. The scriptures teach us to be "kind one to another [and] to be tenderhearted". This also is a proclamation to the world of God's design and His love for all of us. In turn we must choose as a family to serve and honor God and make him **King of the Family!**

Memory Verse (Special Part)

"But as for me and my family, we will serve the Lord."

Joshua 24:15b

The Bible says that we are His workmanship.
He has worked on us and thought about how we would look,
every type of person we would be,
our likes and dislikes, and our different personalities –
there is nobody else like any of us on this planet!
He loves us just as He has created us! Every part of us!

Can you name some of those parts kids?

Heads and shoulders, knees and toes

Narrator

What are some of those other parts children?

Children

King of the Jungle: Preschool Narration 5

Narrator

We certainly know by now that God is the Great King!
I don't know about you, but I certainly want to be a part of His Kingdom!
Children, what do we need to do to be a part of God's Kingdom?

Children

Follow the King!

Narrator

My goodness you kids are certainly smart!
Maybe you kiddos can give the audience
some ways we can follow and worship the King.

Children

Read God's Word!

Going to Church!

Pray!

Narrator

And children how should we love the King?

Children

With all our hearts, souls, and minds.

Narrator

Jesus is our King, and He wants us to follow His example in things we do each day. We can only follow Jesus' example when we know who He is, what He created, and what He has taught us.

We are called to follow Jesus our King, and we can follow Him each day of our lives! We can't do it perfectly, but when we ask God through prayer to help us, He will always provide us with the strength to follow Him. Let's praise and **Worship the King** and let Him know we are "WILD" about HIM!
