

Digging Deeper

“Digging Deeper” allows you to spend time throughout the week reading the Word of God at home. Find a quiet place in your house, school, work, a local park, etc. and dig deeper into the Bible. You could read all these passages at once or divide them up and read them on different days throughout the week. Whatever you do, take time to connect with God this week!

Let’s get started!

Ask God to speak to you as you read His Word.

- Read 2 Timothy 3:10-17
- Read Hebrews 4:12
- Read Psalm 119:1-88
- Read Psalm 118:89-176

Prayer Needs for the Week:

Get ready for next week’s sermon and Journey Group meeting.

- Read 2 Timothy 4 before next Sunday.
