7. _____ And _____

Homework:

1. Discuss with your spouse how your parents handled conflict when you were growing up. How has that pattern affected you and your marriage?
2. Discuss the Conflict Model. Specifically talk with your mate about each of the steps involved. Apply them to your marriage discussing your tendencies throughout the model.
3. Take some time to talk about seven principles in dealing with conflict and how these can be constructive, making marriage closer and stronger verses how failing to apply them can be destructive.
