

**1. JESUS IS LORD OF MY
LIFE when I obey the
prompting of the Holy
Spirit without fighting.**

**2. JESUS IS LORD when I
am committed to fulfilling
His will and do not know
the consequences.**

3. JESUS IS MY LORD
when I am available to
serve Him without regard
to time, place, or
requirements.

4. JESUS IS MY LORD
when pleasing Him takes
precedence over pleasing
all others.

5. JESUS IS LORD when I recognize Him as the source of all needs and desires.

6. JESUS IS LORD when I submit to His ownership of all I am and have.

7. JESUS IS MY LORD
when it is the pattern of
my life to turn failure into
opportunities for spiritual
growth.

8. JESUS IS MY LORD
when to know Him
intimately becomes the
obsession of my life.
