In general, students having a documented Individual Education Plan (IEP) or Service Plan that states the need for specific testing accommodation(s) on standardized tests will be given those accommodations. The Diocesan expectation for un-timed testing is an extended time equal to 1½ times the regular testing time for those students with the appropriate IEP or Service Plan. **Only those students in possession of a valid IEP or Service Plan will receive testing accommodations.** Accommodated testing will be offered at all four test sites for the December and January test dates. Students qualifying for accommodations **must submit** the **High School Admissions/Placement Test Registration Form and attach any documentation including IEP or Service Plan** to the appropriate test site **at least one full week before the test date** to allow the school to provide the appropriate accommodations.
