Georgia School of Preaching Opens

Everyone is encouraged to register NOW for the Georgia School of Preaching classes. We will commence classes on January 8th and continue until March 20th. We can assist you to make up the class you missed.

On Tuesdays, from 6:30pm to 7:30pm, Brother Keith Olbricht is covering "The Godhead." After our snack break, he will present "The Synoptic Gospels" from 8:00pm to 10:00pm. Brother Charles White is teaching "Between the Testaments" on Thursday evenings from 6:30pm to 7:30pm, and then after the break, from 8:00pm to 10:00pm he will cover "The Gospel of John."

All bible students will be interested in following these studies that take you from the close of Malachi to the close of the Gospel of John. The period of time between the Old Testament and the New Testament is indeed very interesting. I know that you will enjoy this class, along with the connecting lessons in the Gospels.

Join your friends and the current students for this exciting adventure. Some of our current students drive an hour and a half one way each night – JOIN THEM.

.....
Special thanks to Miss Lindsay Shea and David Decker for taking our opening photos.

Enrollment Exceeds Expectations

We registered 24 individuals on our first night. Many drove from Cairo, Sylvester, Tifton, Sparks, Adel, Hahira, and Valdosta. Registration was also received from Broxton, Georgia. We look forward to even more students starting with us at the beginning of the New Year. Plan now to join us.

Information regarding the school may be obtained by calling 229-559-7002 or writing Georgia School of Preaching, 4326 Dasher Road, Valdosta, GA 31601. You can find us on the Web at www.gsoonline.org

We have also supplied our students with a web site which has valuable information regarding the classes they are taking this quarter.

The Valdosta Campus Georgia School of Preaching is under the oversight of the eldership of the Dasher Church of Christ. They gratefully acknowledge the help, support and cooperation received from Brother David Decker who works under the oversight of the Marietta Church of Christ. The Marietta Church is currently working with Brother Tom Holland from the Nashville School of Preaching in Nashville, Tennessee. All schools of preaching can now standardize their lessons. Hopefully, by next year this will provide uniformity in all the schools of preaching that join this effort AND many classes will be recognized by the brotherhood colleges for transfer credit.

Remember...

All Classes are FREE!

Books are the only expense for students. Many students tell us their home congregations are paying for their textbooks. Perhaps yours will, too!

DVD Lessons Will Soon Be Available

In the near future we are planning to record our classes so we can provide anyone with a copy on DVD. This will be helpful to those who desire to make up a class. We are working with the Web master for the Georgia School of Preaching so the complete library of our classes will be compatible with the master library planned for the entire Georgia School of Preaching. This will be helpful to those who desire to make up a missed class.
