

Smallbox offers 'design thinking' workshop

Smallbox, an Indianapolis-based creative solutions company, will host a design thinking workshop in the Kelley Dining Room at the Virgil T. DeVault Alumni Center on Oct. 21 from 9:30 a.m.-3:30 p.m. The workshop explains design thinking, practices its applications and provides team-building exercises to help understand and solve complex problems. To buy tickets, log on to www.smallbox.com/design-thinking-workshop-bloomington.
