

Self-Made WEALTH Exercise #1

Now that you've learned about Money's Dirty Secret - that it has a hole in its own bucket - it's a good idea to look back into your life, and see where this has cost you. Answer these three questions to see where you have made mistakes with money that you can correct in the future:

Question #1

First, what was the most important thing you learned in this report about money, what it really is, and how it works?

Question #2

Think back about your personal experiences with money. Where have you lost money in your life because money has a hole in its own bucket - but you didn't realize it at the time?

Question #3

Where have you played the money game - and lost - because you didn't understand how the game worked in the first place?
