Sunday Evening Message: Melchizedek Priesthood Part 2

## A View of the World

If you see the world news it can be a scary view of the world. You might think that the world is falling apart. Inflation is at an all time high. The Covid virus seems to be out of control and people are still very sick and, in some cases, passing away. People are not happy with the government. Sometimes the store shelves are empty. And there are wars and rumors of more wars. It seems like people are consumed with the negative of the world.

The lesson that we need to learn is that God is in control of the world. As Christians our biggest focus is to be on Christ as the Son of God. As part of that focus, we must share the good news that Jesus saves. If a person is worried with everything that is going on in the world, then there is no better time to share Jesus. Jesus is the answer to all our problems. If everything should go bad (and we are a long way from that) well, we have eternal life in Jesus Christ. It is Awesome to have a savior that loves us and will always be there for us.

Paul said in First Thessalonians 5:1-2, “Now as to the times and the epochs, brethren, you have no need of anything to be written to you. For you yourselves know full well that the day of the Lord will come just like a thief in the night.” As Christians we must always be ready for the great coming of the Lord. What a wonderful day that will be for all Christians! We live in different times in a difficult world, but we must remember the encouragement of the apostle Paul. First Thessalonians 5:4-6, “but you, brethren, are not in darkness, that the day would overtake you like a thief; for you are all sons of light and sons of day. We are not of night nor of darkness; so then let us not sleep as others do, but let us be alert and sober.”

As Christians may we always have the view of the world as Christ would. A view of loving and sharing the gospel of Jesus Christ our Lord.

For His Glory—Elvis Galbreath
