admissions@summerfieldwaldorf.org

Thank you for considering Summerfield Waldorf High School as you embark on the journey of choosing a High School for your family—we know that choosing a High School is not a decision to make lightly. With its rigorous educational program, Summerfield is uniquely positioned to engage its students and faculty, creating a learning environment that fosters the awakening consciousness and abilities of students academically, socially and artistically. There are several ways one may experience what a Summerfield High School education offers:

How to Apply to Summerfield Waldorf High School

Go to www.summerfieldwaldorf.org;

Step 1: Complete the Online Application;

Step 2: Parents complete the Parent Questionnaire (Google Form or paper copy);

Step 3: Student Applicants complete the Student Questionnaire and 600-750 word essay (paper copy);

Step 4: Request Letter of Recommendation from a current Math and Humanities/English teacher (Google Form or paper copy);

Step 5: Parents sign and return the two Release of Records forms;

Step 6: *Optional:* Parents are invited to include a letter commenting on the nature and personality of their student;

Step 7: Submit all completed materials to the Admissions Office, along with:

- a \$95 Application Fee (non-refundable) and
- copies of the last two years of your student's school records

After a review of the application, a personal interview will be scheduled with students, parents, and members of the High School faculty. This is an opportunity for the High School to get to know your family better, and/or a chance for you to ask questions. Admission is open to all qualified students regardless of race, creed, gender, or sexual orientation, and is based on a review of academic transcripts, personal interviews, and teacher recommendations.

Beginning December 3, 2018, applicants may apply for financial assistance via Summerfield's website at www.summerfieldwaldorf.org. Under the QuickLinks section of the website, parents will find the detailed instructions and relevant links needed to apply for financial assistance. Financial assistance grants are announced in conjunction with decision letters.
