

**Rapala®**

**From manual to digital, we've got a scale to weigh your latest catch!**

**A. Bass Pro Shops® Spring Scale** Accurately weighing fish shouldn't be a crapshoot. If you want to know if that fish is really as big as you think it is without having to spend a fortune, then this is the scale for you. Constructed from a corrosion-resistant aluminum frame with stainless steel hook and spring. Color: Red.

**\$13.99 11-423-854-00 20 lb.**

**\$19.99 11-423-856-00 50 lb.**

**\$26.99 11-423-858-00 100 lb.**

**B. Bass Pro Shops® Digital Fish Scale** Accurate to .022 lb./0.010 kg, our economical, easy-to-use scale is ideal for small-tourney anglers and weekenders alike. Features a tare function (to zero the unit for weighing in a bag or container). Reads in lbs./oz. or kg. Handy auto-off saves power. Uses 3 AAA alkaline batteries (not included).

**\$21<sup>99</sup> 11-427-439-00 50 lb.**

**C. Bass Pro Shops® Digital Fish Scale with Culling System**

Stores up to 9 replaceable weights in memory, so you can cull your catch throughout the day. Backlit display enables readability from any angle, saving time. Accurate to .022 lb./0.010 kg. Includes tare function and auto-off after 3 minutes. Culling system includes 9 color-coded clips, log book with wax pencil, and a storage case that keeps it all together. Uses 3 AAA alkaline batteries (not included).

**\$39<sup>99</sup> 11-427-440-00 50 lb.**

**D. Rapala® Touch Screen Scale** Packed with advanced features, this water-resistant scale is easier to use than any other scale on the market! Large digital touch screen, heavy-duty clamp plus hook, backup memory, 8 storage locations, total weight, backlight, temperature, tare weight, storage bag with sewn-in instructions. Uses 2 AA batteries (not included). **15 lb. tournament model** also includes an 8-pc. culling system to manage your catch!

**\$49.99 11-427-655-00 15 lb.**

**\$49.99 11-427-656-00 50 lb.**

**E. Rapala® Sportsman's Digital Scale** Has a large digital display with a tare weight. Also features a 500-hour battery life with indicator, a 4-minute automatic shut-off function, and a stainless steel hook. Uses one 9V battery, not included.

**\$23<sup>99</sup> 11-467-342-00 50 lb.**

**F. Berkley® Digital Fish Scale** Comfortable and easy to use, this water-resistant fish scale takes the work out of weighing big fish. Easy-to-read LCD screen stores up to 10 weights in memory and provides both averages and combined weight totals. Includes tare function to weigh multiple fish and an auto-off feature for maximum battery life. Includes two 2032 batteries.

**\$26<sup>99</sup> 11-460-260-00 50 lb.**
