## SENIOR LEAGUE BATS 2 5/8" BIG BARREL

### DEMARINI "VEXXUM" SR LEAGUE 2007 MODEL

Features a barrel profile that's optimized for a balanced feel and maximum bat speed. The handle kick-point is high, providing the right flex in handle for a better transfer of energy and increased power. Combines a composite handle with an aluminum alloy barrel that results in an ultra-strong design. This redistributes the weight for better balance and allows for a faster swing with less effort.
