HISTORY OF WAHL CORP.

As told by Jack Wahl, third son of the founder. The book that tells how a family company evolved into the world's largest manufacturer of hair clippers. This book is a great American success story. "Jack Wahl is a worthy example for us all," says Paul Harvey.

"During the ten years of my association with Wahl, I've watched this great company repeatedly answer the challenges of today's complex business climate while even outpacing the remarkable prior years' growth," says Ron Friedman, CPA, Wahl Clipper Director.
