JAMES BOND'S ASTON MARTIN'S FROM "CASINO ROYALE"

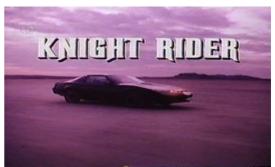

Aston Martin announces James Bond, the legendary British secret agent, will drive one of their models in the next 007 film, "CASINO ROYALE". Full details of the car to be used in "CASINO ROYALE" are being kept top secret but the company did confirm that it would be a new model called the Aston Martin DBS. The legendary DB5 will also make a welcome reappearance in the new movie.

Joyride Studio's 1/18th Aston Martin diecast replicas will feature a Q-card CD ROM and all the usual features expected in a Bond movie. The cars gadgets have yet to be announced.
