I reached a goal that I set for myself about 30 years ago when I talked my Grandmother out of her Oatmeal Cookie recipe. These recipes were gathered over many years and handed down from generation to generation.

This Cookbook covers some 236 recipes on Meats, Breads, Desserts, Veggies, Candy, and other household hints from the pioneers. A cook book filled with old, but forgotten tasty recipes that brought the pioneers across the Oregon Trail and the Mormon Trek across the country. A true collector's item as well as an excellent cookbook for home, cabin, or camper. These recipes are suitable for Dutch Oven or in your kitchen. Each one has been tested and found to be delightful. With this book you can learn to cook from scratch the healthy way. By Colleen Sloan
