Sportsman's Utility Case

Equipped with large comfortable handle and two strong latches, the Sportsman's Utility Case is a two sectioned unit made of high impact polypropylene plastic. Large 18.5" x 10.5", two position, lift out tray. The lid section will protectively accommodate items up to 4.5" tall. Items are safely sandwiched between thick open cell foam pads for worry free transportation. For less fragile items, the foam may be placed in both bottom and top sections to hold all gear in place and help prevent rattle. A locking tab is provided for a standard sized combination lock. 20.7" x 12.75" x 8.75" tall, Forest Green.

803 Pocket Pistol Case

Slightly larger than the 802C. The 803 accommodates all pocket sized handguns with barrel lengths of less than 3". Because of its offset handle design, the 803 also keeps a small profile, yet leaves just enough room inside for a spare magazine with most pistols. A standard Colt 45 Cal., 1911 A1 fits perfect in this case. Inside: 9.0" x 5.8" x 2.9", Outside: 9.6" x 6.5" x 2.1". All subcompacts & most full size semi-auto's revolvers 3" or less.
