

► Garment Care... The smart way

Two Every ~~four~~ minutes, someone buys a Smartek product.

Dear Merchant,

Nearly 8000 merchants across North America sell Smartek products in their establishments. There's a simple reason for this. Smartek's tradition of innovation and excellence has consistently proven itself. Our "Cord-Cordless Mini Sewing Machine" was featured on CBS The Early Show as the "perfect gift." And our garment steamers are regularly rated top by consumers online.

Our products are exceedingly popular in home catalogues. Many items are manufactured with unique functions. Our "cord-cordless steam iron" is the only steam iron in the market that features the cord/cordless option. And our valet stand/charging station offers the exclusive combination of charging center and classic valet.

Smartek retailers benefit from generous profit margins and efficient, expedited shipping. Our three main warehouses are conveniently located in Brooklyn NY, L.A, and Canada, which allows us to ship your orders speedily.

Smartek's extensive line of garment care products boasts exclusive design, competitive pricing, and most of all, superior quality.

- » Appliances are UL/ETL listed
- » Products solidly constructed
- » Brand recognition
- » Generous profit margin
- » Exclusive branding
- » Attractive display packaging
- » EDI compatible

Please contact us toll-free at 888.380.2111 or via email at sales@smartekusa.com. Our courteous, knowledgeable customer service representatives are always happy to address your inquiries.

Smartek... If it's garment care, we have it.

Best Regards,

Steam Irons

Made with cutting edge technology, our steam irons feature a non-stick soleplate. Each machine is quality manufactured to produce maximum results. They're super hot yet easily adjustable, they produce clouds of steam on demand.

The travel model folds for convenience. Stash them in your office, suitcase, or overnight bag. And its got all the power of a full sized model.

Steam Station

ST-X100N

Steam Station

Steam or dry ironing

This revolutionary product produces powerful bursts of dry steam that gives your garments that crisp, fresh look. The Steam Station has a separate boiler located at its base, isolating the water and eliminating any water stains or damage to your garments. This separate boiler also allows the water to quickly reach a higher temperature and dramatically reduce your ironing time.

Although extremely powerful, the Steam Station iron will gently press your silks and delicate fabrics. Designed for your optimum comfort, it requires little to no arm pressure and can be used in a completely vertical position. The Steam Station's amazing capabilities will catapult you from the tedious chore of ironing into the enjoyable activity of steaming, saving you time and providing superior results.

1

ST-2000N

Cord/Cordless Steam Iron

Cord-cordless iron will remove creases and wrinkles on garments quickly with the convenience of either cord-cordless operation. Cordless ironing creates a hassle free work environment-without having the cord get in your way-Simply slide the switch to cordless position to enjoy swift and easy ironing. Move switch to Cord position to switch back to conventional ironing. This top of the line iron features a comfortable grip handle anti drip variable control options for temperature and steam setting, so to the perfect setting for all fabrics. It also has a built in water mister and a "shot of steam button" for stubborn wrinkles and vertical steaming for your drapes, curtains etc.

2

ST-1200 Grey / ST-1200G - Green / ST-1200R Red

Steam Iron

Wrinkles don't stand a chance. the ST-1200 is tough enough for any ironing job. We created this full-sized iron with features: a heat indicator light; a swivel cord; and an easy-fill, transparent water tank with a built-in cover. It keeps itself immaculate with its self-clean function, vertical shots of steam, water spray and non-stick soleplate. We packaged this powerhouse in a sleek and elegant casing that's comfortable enough for any user - even in extended use.

3

ST-10

Traveling Steam Iron

You won't find a travel iron more compact than the ST-10. The handle folds for easy storage! store this iron in its handy travel pouch, and stow it anywhere. But when it's time to fight wrinkles, this little traveler is great. It attacks wrinkles with a 600 watt blast of steam uses 120 voltage / 800 watt for 220 voltage.

4

ST-15

Mini Iron

Though small in size this mini iron is just right for neckties, seams, quilting, tight spots, paper crafting, and more. It heats up in seconds making pressing projects fast and easy. It's a must have for your scrap booking toolbox!

Steamers

Extend the life of your garments...beautifully.

Steam cleaning can be the smartest care your garments ever get. Gentle yet effective, steam cleaning protects fabric from the damaging effects of dirt and stains. No wonder steamers are the best selling personal appliance; they're essentially what professional dry cleaners use.

Smartek steamers use advanced technology to remove wrinkles without wearing down delicate fabrics. Accessories such as furry brushes aid in lint removal and speed the cleaning process. The steam generator is designed to last a lifetime.

ST-X2

Professional Garment Steamer

For intense cleaning applications, Smartek's ST-X2 makes professional dry cleaning-quality steaming available to demanding home users. This high-powered garment steamer generates 1450 Watts of steam power to refresh and sanitize clothing.

The ST-X2 heats up in just 45 seconds and has an easy-fill removable water tank that holds enough water up to 70 minutes of continuous steam. Its adjustable telescopic rod design and rolling caster makes it easier for compact storage and effortless mobility.

ST-X500

1 Professional Steam Press

Cut ironing time in half with Smartek's ST-X500 power steam press. The ST-X500 puts commercial steam press efficiency within every home's budget. It exerts up to 100 pounds of steam pressure for maximum penetration. Adjust for different fabric types and choose from five steam settings. The non-stick Teflon surface prevents build-up. This 1300-watt press features automatic shut off for safety, 10 ounce water tank and LED indicator.

ST-X500ST

2 Steam Press Stand

The Steam Press Stand includes a separate velcro belt that secures the steam press is in its right position. Additionally the stand includes: plastic foot caps - protect floor from scratches, the ability to sit while you steam and is great for most steam presses! The Steam Press Stand is 22 inches long x 24 inches high x 16 inches wide.

You'll find a use
in every room
of the home:

1

ST-80

1 **Powerful Steam Brush**

Remove stains in a flash with a shot of steam from the powerful ST-80 steam brush from Smartek. It has a sleek, modern design in a unit small enough to stuff in your overnight bag. Yet it gives wrinkles a wallop with a tough 800 watts steam blast. It's lightweight and handles easily. Fill it with ordinary tap water - it holds a generous 3.5 ounces - and 30 seconds later it's fully heated up and ready to smooth wrinkles and attack stains.

2

ST-80N

2 **3 in 1 Steam Brush**

Maintain a wrinkle-free wardrobe by using this powerful Steam Brush. The steam brush emits a 650-watt blast of steam to remove those tough creases on your garments, drapes, and upholstery. Additionally, it eliminates stubborn stains. Take this lightweight and portable steam brush with you on your travels to retain your professional appearance. The integrated Lint Brush, which effortlessly clears lint and particles from clothing, and the unique Pleating Brush, which presses sharp creases into your trousers, will ensure a shipshape wardrobe everywhere, every time.

Pants Press

Pants Press + Valet + Charging Station

The classic valet stand is upgraded and modernized in this unique gentleman's combo. The consummate luxury accessory features:

Powerful Pants Presser: Applying steady effective heat, this top quality presser gives your trousers the just-out-the-cleaners look. An innovative elastic band keeps your pants in place, avoiding a double crease down the center of the pants.

Ultra Modern Charging Station: The combo's charging station includes two standard outlets and two USB ports, perfect for charging cell phones, ipods, and other electronic gadgets in one compact, convenient space.

Valet Features: Along with your classic wood hanger and shoe space, this remarkable combo has a dish for your wallet and keys and a timer with an automatic off safety feature.

ST-95 Espresso color

Foldable Coat Rack

An ingenious solution for entertaining days. This foldable rack can be set up in seconds to provide space for extra jackets, coats, and stoles. Boasting mahogany wood construction, the rack is sturdy enough to accommodate up to about twenty coats. To store compactly and easily, simply remove the rod and fold the sides of the rack inward. This innovative product is ideal for parties, events, or anytime you have company.

Ionic Closet Purifier

ST-70

Ionic Closet Purifier

Eliminate odors from your closet or small rooms naturally. The Ionic Closet Purifier gently removes any lingering odors from your clothing, and neutralizes the air with a natural sanitizer. Compact, portable and lightweight, this item can be conveniently placed on your closet floor, shelf, or wall. Or use the special attachment (included) to hang the Freshener on your closet rod.

Fresh air means healthy air...

ST-72

1 **Revolving Tie Rack**

With so many ties in your collection, you need a serious solution to tie organization and storage. This revolving tie rack holds 64 ties, numerous belts and is exceedingly compact. The rack attaches securely and stays in place, allowing you to rotate your ties at the push of a button. Battery operated; this item makes getting dressed easy.

BR-45

2 **Folded-Small Open-Regular Hanger**

Take it along in your pocket. Have it there when you need it. It is an excellent item to help preserve your suits and garments to look there best. Perfect for business travel! Keep one in your glove compartment in your car.

Dress Bags & Shoulder Covers

Fine clothing need protective care. The garment bag is constructed of polyethylene material and features a clear vinyl front window for easy content viewing and identification. Available in various sizes to accommodate dress lengths.

Protect the grip of your clothing from wearing out while organizing your closet. Use the transparent shoulder cover to avoid dust accumulation on the exposed part of your clothing. A practical and easy-to-care-for item.

Fabric Shavers

Our Razortek line was custom designed to superior performance. Renowned for their smooth and efficient movement these shavers are the best and most popular in the industry. Both the cord and cordless models feature a protective stainless steel shield to protect your garments. Yet, the cutting blade is sharp and durable enough to leave clothes clean and new looking. Keep shaving for years to come.

Shaving away years of wear...

Fabric Shaver

ST-25

Deluxe Fabric Shaver

Give your clothing, upholstery, blankets a fresher look with the deluxe clothes shaver. Motor driven, the shaver safely trims only the top fuzz or lint and suctions it into a detachable bin for quick disposal. It features cord or cordless operation. Use the power cord included to continuously shave without the hassle of changing batteries. With a comfort grip handle you can effectively restore any fabric in a matter of minutes!

RT-15

1 Rechargeable Clothes Shaver

The rechargeable cloth shaver lets you trim away fuzz and lint continuously without the hassle of changing batteries. It features variable speed settings and an adjustable head to fit the variety of fabric thickness. A protective shield covers the rotary blades enabling a safe and smooth finish!

RT-05

2 Clothes Shaver

Get rid of fabric pulls and lint with the cordless cloth shaver. Stroke the shaver over any garment to restore and extend its wear-life. The large two inch shaving surface and thickness adjuster makes it great for a wide variety of fabrics.

RT-01

3 Mini Clothes Shaver

Its mini design enables you to keep this clothes shaver handy at all times. Though small in size, it provides effective results.
