Tofu Drink Mix

Tofu Drink Mix

A delicious non-dairy milk substitute fortified with vitamins and rich in calcium. More calcium and fewer calories than milk. Cholesterol and lactose free. Tofu Drink mix is frequently used as a milk substitute by lactose intolerant people. It is a better source of protein than dairy products. Many choose a tofu drink simply because they want something non-dairy. Tofu drink contains a high-quality soy protein that is easily digestible and readily absorbed in the body. All natural. Great flavor!
