OSIM® UCOMFORT™ MASSAGE CHAIR

The perfect full-body massage chair—tailored just for you!

Relieves tension throughout your body for complete relaxation. At the beginning of each massage, special scanning rollers in our uComfort™ chair glide along the length of your back to customize your massage. The result? uComfort™ kneads, soothes, loosens and relaxes every inch of your body. Choose from three full-body programs or six targeted programs including four types of back/neck massage, plus airbag massage for hips, seat, thighs and calves. Independent power-reclining backrest and footrest. Full-function remote. Easy-clean synthetic leather.

607127 **\$1,995.00**

OSIM® UASTRO™ ZERO-GRAVITY MASSAGE CHAIR

Experience zero-gravity massage.

uAstro™ doesn't just massage you, it takes you places. Away from work, from stress, from worry. It brings you to places where everything feels good all the time. And when you return, you feel better all over. All day long. One-touch "zero-gravity" recline elevates your torso and legs to make circulation easier. It relieves pressure all along your spine, and it better positions your muscles to receive maximum benefit from the chair's many massagers. Body-scanning—before each program, rollers glide up and down your spine. An optical pressure-point detection system measures the movements of these rollers to calibrate and customize your massage.
