WorkForce™ Pro GT-S80
Document Image Scanner

The WorkForce Pro GT-S80 offers businesses a powerful scanning solution, speeding through scans at 80 ipm* and offering a duty cycle of up to 1800 sheets. This high-volume, sheet-fed scanner makes it easy to capture all your critical documents. And, it offers an amazing value with fast speeds, a 75-page feeder and incredible versatility.

Able to handle everything from business cards to rigid ID cards and documents up to 8.5x36 inches, the GT-S80 easily scans both sides of one sheet in just one pass. And, it does so in color, grayscale or bi-tonal. It's never been easier to electronically capture critical documents.

Whether you need a faster way to access shared documents, a more affordable way to comply with government mandates or a better way to maintain the integrity of important documents, the GT-S80 is the perfect place to start.

Designed by Epson, a leader in digital imaging, the GT-S80 offers remarkable reliability and quality that only comes from Epson. You get fast scanning speeds, a high daily duty cycle, robust paper handling capabilities, and an ultrasonic double-feed detection feature, all from a compact, desktop scanner.
