FLOOR MOUNTING KIT

8171477

Cut holes in shaded area of cabinet walls or floor as specified below:

water line – 1/2" direct wire – 3/4"

drain line – 1 1/2" power supply cord – 1 1/2"

*Measured from the lowest point on the underside of countertop.

May be reduced to 33 3/4" by removing the wheels from the dishwasher and perforated portion on the top of the insulation blanket.

**Minimum, measured from narrowest point of opening.
