

COSMOLITE

Cosmolite is the strongest and lightest Samsonite ever thanks to the revolutionary Curv® technology. Curv, (a registered trademark of Propex FabricsGmbH) is a reinforced material made from woven threads of polypropylene and is exclusive to Samsonite. Its specially molded shell-like ridges create style and distinction unique to Cosmolite. Made in Europe

FEATURES:

- Samsonite is the only travel product company in the world to have the Curv® technology. This new concept in thermoplastics is extremely lightweight and offers exceptional resistance to impact. The shell form and woven layering process is patented by Samsonite
- Split-case design offers large packing compartments for easy access. See-through mesh divider and cross straps for increased packing organization.
- The fixed combination lock offers extra protection for your treasured belongings.
- Monotube handle with unique Smart Sleeve bungee cord to support second smaller bag.

MANEUVER SPINNER DUFFLES

Samonite takes an evolutionary leap forward with our Maneuver Rolling Duffle Collection.

This collection combines casual, contemporary styling with rugged durability, offering travelers an alternative to more traditional luggage design. The large U-shape opening makes it a snap to pack all your travel essentials. This durable bag is easy to roll and can be comfortably hand-carried as well.

46237-1733:	22 Spinner Duffle	22 x 12.5 x 12	4.3 kgs.
46236-1733:	26 Spinner Duffle	26 x 13.5 x 14	4.7 kgs.
46235-1733:	32 Spinner Duffle	32 x 15 x 15	5.3 kgs.

FEATURES:

- Four, multi-directional spinner wheels for easy mobility.
- Constructed of rugged 840D Poly/Nylon Blend for lasting durability.
- Side compression straps help secure packing while compressing a fully packed case.
- Large, self-mending lockable coil zippers provide flawless closure.
- Reinforced bottom bumpers and kick plates for enhanced protection in high wear areas.
- Convenient front pocket to store last minute items, magazines or boarding passes.

43635 - xxxx:	32 Wheeled Duffel	14 x 32 x 14.5	2.78 kgs.

FEATURES:

- Large, U-shaped opening provides easy access to contents in main compartment.
- Push button locking handle zips away for convenience while traveling.
- Smooth rolling, in-line skate wheels provide near effortless mobility.
- Durable bumpers protect the bottom of the duffel.
- Name tag sewn in to carry handle for easy identification.
- Each duffel comes packaged in a full-colour graphic carton.

TOTE-A-TON™

Constructed of durable, high-quality 420 Denier Nylon, the Tote-A-Ton duffel has an endless number of uses. This lightweight bag weighs only one pound when empty, and provides a colossal 6,354 cubic inches of packing or storage space. The Tote-A-Ton works great for students going off to camp or college, for traveling by car, or as a storage bag. Its mammoth size can easily accommodate oversized or irregularly-shaped items. When not in use, the Tote-A-Ton folds up and stows away easily, making it a great solution in dorms or other tight places.

Tote-A-Ton

41497 - xxxx: 32.5" x 17" x 11.5" (6,354 cubic inches) 1.0 lbs

FEATURES:

- The durable yet lightweight Tote-A-Ton duffel holds as much as a trunk.
- With over 6,000 cubic inches of space, it works great for travel or storage - its uses are endless!
- Zippered interior pocket is perfect for small items such as keys, and exterior pocket offers easy access.
- Collapsible for easy storage when not in use.
