All VERONA PRO and VERONA ranges, ovens and selected cooktops are covered by a (1) one year warranty on parts and labor. All 12 inch cook tops are covered by a (90) ninety day warranty. These products are not intended for commercial installation and the warranty is void in any commercial-type application. Changes to the product may have occurred after this catalog was printed. Please obtain current installation information for your model before installation and rough-ins. Check your local government for installation codes. Most areas require a licensed plumber or gas fitter and/or electrician for proper installation.

The information presented here is believed to be correct at the time of printing. However, specifications are subject to change without notice.
