New 25KB-4119 Complete Bow Case

25KB 4119

Redesigned to Accommodate Larger Parallel Limb Bows, Quiver, Sight & Stabilizer

To facilitate a variety of new larger parallel limb bows SKB has redesigned the 25KB-4119 ATA Parallel Limb Bow Case to accommodate these new styles that incorporate longer limbs.

This case meets ATA specification 300, category 1 rated (a minimum of 100 trips by air) with molded-in bumper protected TSA recognized and accepted unbreakable fiberglass reinforced nylon trigger release latches and our exclusive, cushioned rubber over-molded carrying handle for added comfort.

The 25KB-4119 has SKB dual protection with an Unconditional Lifetime Warranty and the \$1500 product protection coverage if your gear is damaged by an airline when traveling.
