## *Access cash worldwide* without the fees

A credit card that you'll want to use at the ATM

You'll be able to get cash at banks and ATMs worldwide without the typical finance charges and cash advance fees. That's because with the unique UBS *CashConnect* feature, your cash advances are automatically repaid each business day from your UBS Resource Management Account® (RMA®).<sup>1</sup> As long as you have sufficient funds available, you won't ever incur finance charges or cash advance fees.

Unlimited ATM fee rebates

As a UBS card client, you'll also receive unlimited ATM fee rebates of up to \$3 per transaction at banks and ATMs throughout the world.

Worldwide acceptance

Visa® is welcomed at more merchant and ATM locations than any other card.

The convenient way to pay

Your card provides you with maximum flexibility when it comes to shopping. You can pay with your credit card, or if you'd prefer, take advantage of the *CashConnect* feature to access funds at any ATM or bank so you can pay with cash. It's your choice.

**Did you know?**

Another convenient payment feature is the UBS *Pay Credit Card*, which enables you to automatically pay your card balance from your RMA so you won't have to worry about missing a payment and incurring late fees. Pay the full amount, the required minimum or anywhere in between each month.

## Legal disclosure

<sup>1</sup> When you use your credit card to access cash, there must be sufficient funds in your UBS account to repay the cash advance that night or you will incur applicable cash advance fees and interest charges. The automatic transfers used to pay off your *CashConnect* cash advances will reduce the available funds in your UBS account, and, as a result, could affect other transactions dependent on cash, such as fee payment, investment purchases, online bill pay, debit card usage and outstanding checks. Please make sure that you have sufficient available funds in your UBS account to cover these items, as well as the *CashConnect* cash advance. Feature available only for cardholders with a UBS account.

<sup>2</sup> You'll receive unlimited ATM fee rebates up to \$3 per transaction.

<sup>3</sup> Your purchases must add up to \$100 or more.

<sup>4</sup> Certain terms, conditions and exclusions apply. Please see your UBS Visa Signature credit card *My Choice Rewards* program and benefits guide for details.

<sup>5</sup> There is a \$25 booking fee associated with the redemption option(s).

<sup>6</sup> Certain restrictions and limitations may apply.

<sup>7</sup> Points expire if all UBS cards associated with the same card account are closed by you or us. You will have 90 days to redeem your points before they expire.

<sup>8</sup> Tickets must be booked and charged to your UBS Visa Signature credit card. Once your purchase is complete, applicable rewards points will be deducted from your account and a credit posted to your credit card account for the ticket price.
