MetroLite® Stroller

The lightweight, ultra-portable stroller for families on the move

SAP #: 1761221 – Flint (6J24FLN3)

UPC: 047406-10742-1

SKN: N/A

Stroller accepts all Graco® Infant Car Seats

STROLLER FEATURES:

Baby Comfort

- Holds child up to 50 lbs for years of comfortable strolling
- Deluxe padded seat with multi-position recline keeps baby comfy
- Convertible 3 or 5-point harness grows with your child
- Removable infant harness covers for baby's comfort

Ease of Use

- Lightweight stroller weighs less than 20 lbs
- One-hand, self-standing fold closes easily, no bending necessary
- Lockable front swivel wheels with suspension for superior maneuverability
- High performance, "never flat" rubber tires smooth out rough terrain

Convenience

- Height-adjustable handle for comfortable strolling
- Extra-large, drop-down storage basket lets you reach in without disturbing your reclined child
- Parent's tray with 2 deep cup holders for on-the-go convenience
- Child's tray with cup holder pivots for no-fuss stroller entry

Recommended Use

- For child up to 50 lbs.

Care and Maintenance

- Wash removable seat cushion in cold water on delicate cycle and line dry.
- To clean stroller frame, use only household soap and warm water. Never use bleach.
- If wheels squeak, use a light oil.

Pack 'n Play® Silhouette™ Playard

The playard that provides a retreat for rest or play

SAP #: 1772553 - Carlisle

UPC: 047406111763

SKN: n/a

Product Features

- Soft, contoured lines and a cozy, oval quilted bassinet create a premium environment for baby and complement your home décor
- Pivoting, posture-plus changing table with integrated baby basics organizer makes changing diapers more convenient
- Integrated baby basics organizer with built-in wipes case and diaper stacker is ultra-practical
- Enhanced electronics module with vibration soothes and amuses your little one with 5 classical songs, 5 soothing nature sounds, convenient look light and auto-shut off timer.
- Quilted mattress pad provides an extra-comfy spot for your baby to nap
- Innovative squeeze latch for a quick-and-easy fold that's especially helpful when traveling
- Changer with cushioned rim for more comfortable diaper changing
- Slumber dome canopy to help keep your little one amused
- Handy wheels for added convenience
- Airy mesh on all sides provides maximum ventilation
- Convenient carrying bag for no-fuss travel and storage

Recommended Use

- Playard for children unable to climb out, under 35" tall
- Changing table for babies under 25 lbs
- Bassinet for babies under 15 lbs

Care and Maintenance

- If playard gets sandy, carefully remove sand from all surfaces before packing into bag as sand can damage top rail lock
- Clean with household soap and warm water/drip dry
- NO BLEACH, machine wash carry bag in lukewarm water

Cool Mist Humidifier

1.5 Gallon Daily Output*

Internal Model: 2H00

UPC: 047406-09093-8

Reason to Buy:

- Soothing air helps your baby sleep peacefully

Product Features:

- Compact size is perfect for the nursery
- Dishwasher safe tank and tray for simple, sanitary weekly cleaning
- Up to 24-hour operation with easy to fill tank for fast, easy refills
- 2 settings:
 - High
 - Exclusive quiet setting emits soothing white noise to help baby sleep more peacefully
- Large capacity tank holds enough water for up to 24 hours without having to refill
- 1.5 gallon daily output* covers 360 square ft.
*Output tested at 75° F and 25% relative humidity.
- Easy-to-replace drop-in filter #2H01

Description:

Help your baby breathe easier with this nursery-sized Cool Mist Humidifier - 1.5 Gallon Daily Output that restores moisture to dry, indoor air. Designed with busy parents in mind, it has convenient features like a dishwasher safe tank and tray to make weekly cleaning a no-brainer. And its easy fill tank makes filling fast and easy. It runs for up to 24 hours per refill, and includes an easy to change drop-in filter. Ideal for the nursery or bedroom, it covers a 360 square ft. area. Our quiet setting helps baby sleep more peacefully and true air technology helps Mom rest easier too, knowing baby can breathe more comfortably.

Care and Maintenance:

- Humidifiers require regular maintenance and cleaning. Refer to instruction manual for full details.
- Always unplug unit prior to cleaning.
- Dishwasher-safe tank and tray
- Wipe the fan enclosure, control panel and cord with a damp cloth or sponge

Recommended Use:

1.5 Gallon Daily Output* covers 360 square ft. *Output tested

1-Second Ear Thermometer

SAP Model: 1750365

UPC: 047406102419

Product Features:

- 1-second read
- No probe cover needed – cleans with alcohol
- Easy to read lighted display
- 512 scanning sequences per second identify highest temperature
- Self-tests when turned on
- Automatic shut-off
- Measures in Fahrenheit or Celsius
- Includes: CR2032 LI battery for at least 5,000 measurements, storage bag, instruction manual

Description:

Know whether or not baby has a fever in one second, literally! This thermometer accurately reads your child's temperature from the ear in 1 second. It's also loaded with great convenience features like a memory that saves the last 10 readings and an easy-to-read lighted display to give you the answer you need with nursery lights off or on. You don't have to worry about running out of probe covers either, as this thermometer can be easily cleaned and sterilized with alcohol. And at 512 scanning sequences per second, you can rest assured you're not sacrificing accuracy for speed.

Digital Thermometer with Lighted Display

SAP#: 1769606

UPC: 047406110056

Product Features:

- 5 second results
- Accurately reads temperature 3 ways (oral, underarm & rectal)
- Stores last 10 readings to monitor any changes in your baby's temperature
- Soft, flexible tip for maximum comfort
- 5-second* read for oral or rectal mode
- 10-second* read for underarm mode
- Measures in Fahrenheit or Celsius
- Cleans with alcohol
- Automatic shut-off/low battery indicator
- Includes: CR1225 3V lithium battery, protective cover, instruction manual

Description:

This is the fast, easy, and accurate tool for taking your child's temperature when your baby is sick and fussing. It is known to every parent that under these circumstances, the fast you can get an accurate reading, the easier it will be for you. This 5-second thermometer provides you with great flexibility and speed. It is designed to measure body temperature in three ways orally, rectally, or under the arm axillary. This provides you with an accurate oral or rectal reading in just five seconds and an axillary reading in 20 seconds. Its flexible tip provides your child with maximum comfort.

Care and Maintenance:

- Clean with Alcohol

Recommended Use:

- For ages 0+

Prenatal Listener®

SAP Model: 1760706
Internal Model: 2J00
UPC: 047406-10710-0

Product Features:

- Listen to your unborn baby
- Amplifies baby's natural sounds, starting late in your 2nd trimester
- Ergonomic design curves with mother's belly and offers enhanced sound
- Recording cable for sharing womb sounds with loved ones
- Volume control
- Prenatal listening guidebook helps you understand the sounds your hearing, so you can better connect with your unborn baby
- Includes: Prenatal Listener®, 2 ear buds, 1 recording cable, prenatal listening guide book, English/Spanish instructions

Description:

Share the joy of hearing baby in the womb with loved ones. Our Graco Prenatal Listener® amplifies the heartbeat, kicks, hiccups and other natural sounds of the womb, so you can enjoy them in the comfort and privacy of your own home. What's more, you can record those sounds to save as precious keepsakes and then upload them to your computer using our handy-dandy cable cord. You'll awe friends and family members alike when you email them with your baby's sweet prenatal sounds.
