Spring Birdhouse
or Year-Round
Baffled Feeder!

1601

- Birdpods® are sleek and simple birdfeeders or birdhouses that can provide food or shelter for your fine feathered friends year-round.
- Three threaded rods allow for ideal placement.
- Can be hung* from any suitable support.
- Easy-to-clean, two-piece construction with clean-out cap.
- UV protected; won't rot, crack or warp.
- Umbrella dome can be raised for greater access or lowered to prevent predator entry.
- Feeder holds and protects up to 2 lbs. of seed.
- Adjustable openings—from 1.25" to 1.5".
(Reducing grommet sold separately at www.northstatesind.com)
- Product designed by Xavier Zamarripa.

* Never hang your Birdpod beyond what you can safely reach. Only hang from a support that can bear the weight of the Birdpod filled with seed and all those that may visit.
