Living Baby Doll

This remarkably realistic 18-inch lifelike baby doll is the absolute pinnacle of achievement among the world-famous collectible So Truly Real® dolls. This amazing doll responds to you just like a real baby! She turns her head, smiles and giggles; her eyes close slowly as she falls asleep; and she even sucks on her pacifier. An Ashton-Drake Galleries exclusive, this amazing doll was designed by Master Doll Artist Cheryl Hill and crafted of RealTouch™ vinyl. With skin as soft as real life, this baby's expressive features, big blue eyes, baby-fine hair and eyelashes, and hand-applied/hand-painted fingernails and toenails will make you believe she's real. She comes dressed in a sweet pink wrap top with shorts and matching cap.

Blessings Times Three 14" Preemie Triplets

(Sold as a set)

Created exclusively for The Ashton-Drake Galleries by Master Doll Artist Sheila Michael, these triplets come as an extra special set, and they will amaze you. They wriggle for your attention, cry, or breathe soundly as they rest - just like real babies. Cuddle them close, feel them moving in your arms - each is a little miracle, crafted of RealTouch™ vinyl skin, with soft baby hair, tiny eyelashes, and hand-painted fingernails and toenails. Plus, every baby doll in this collection arrives beautifully dressed and ready to meet the rest of the family.

Denise Farmer's 18" Newborn Baby Doll Series

Exclusively from The Ashton-Drake Galleries by renowned Master Doll Artist Denise Farmer, these newborns are a remarkable edition to the world-famous So Truly Real® vinyl baby doll line. Echoing the heavenly beauty of real live newborns, this breathtaking series has exquisite faces, delicate wisps of hair, supple fingers, and tiny wrinkled feet. They arrive slightly flushed from the miracle of birth, snuggling happily in your arms. Hand-applied hair, wispy eyelashes and tiny hand-painted fingernails and toenails complete the illusion of life. They arrive in individual outfits and have hospital bracelets that can be personalized. Cherish (001) was the introductory baby doll to this series.

Umi, The 14" Baby Orangutan

The first-ever So Truly Real® collectible baby monkey doll, by renowned doll artist Wendy Dickison is available only from Ashton-Drake. Beautifully crafted, her head and limbs are of collector-quality vinyl, that gives realistic detail to her face, hands and feet. Hand-rooted wispy red hair covers her from head to toe. Little Umi has gentle eyes, thick dark lashes and her all-over wispy red hair, meticulously rooted by hand for a totally natural look. She arrives dressed in an adorable pink baby outfit with a heart detail and the word "Sweetheart" on the front and a pacifier. Best of all, a portion of the proceeds of little Umi will be donated to support rainforest preservation!
