

Thank You!

Thank You! We sincerely appreciate your business and will do anything within reason to keep you happy. If you are unhappy with our service, products or whatever, call (931) 553-8651 and ask for the manager or write us a letter giving your name, address, phone number and the nature of your complaint. We really try to give great service along with fair prices. We are in our 44th great year of serving shooters and the shooting industry.

Pricing & Typographical Errors

PRICES & TYPOGRAPHICAL ERRORS: Prices in this catalog are EFFECTIVE February 1st, 2013 and are SUBJECT TO CHANGE WITHOUT NOTICE. We are human, and due to the sheer volume of items that we carry, errors do occur. We cannot be held responsible for typographical errors or price misprints contained in this catalog. We apologize in advance. Please ask for or check our website for current prices.

COMPONENT & AMMUNITION UPDATES: While availability does seem to have stabilized somewhat, indications are that pricing could be an issue this year. As the new administration has settled in, demand for shooting related products has more than doubled and the rumors of more legislation are circling. We do not know how this will affect laws and supply. The prices shown in this catalog are current as of February 2013. We apologize for any increases or price discrepancies in advance.

Honest Shipping & Fast Service!

SHIPPING OUT ORDERS: 99% of all in-stock orders are shipped usually within 24 business hours of receipt.

MIDSOUTH'S HONEST SHIPPING: We charge only what it costs to get a package from Clarksville, Tennessee to your door step. We do not use shipping as a profit center. We obviously want to keep your shipping charges as low as possible to keep you happy with our service.

Tennessee Residents

SALES TAX: Tennessee Sales Tax of 9.5% is added to orders from Tennessee only, unless you have a tax certificate on file with us. Sales tax is not added to out of state orders. If you are an FFL holder and want to pick up an order (from any state), we must have a copy of your FFL, and state tax number on file. If you don't have this information on file with us, either send one or bring one with you. Call us for more information.

TWRA TAX: TN residents and Pick-Up Customers pay a .10 TWRA Tax per box of ammunition purchased.

Order Toll Free - 1-800-272-3000 or 1-800-SHOOTER

Our telephone hours are 8:00 A.M. to 6:00 P.M. (Central Time), Mon - Fri. If you have trouble reaching us call our local number, 931-553-8651. Or shop On-Line 24 hours a day at www.midsouthshooters.com

Ordering Information

***All phone conversations may be monitored and or recorded to continually improve our service to you!**

TOLL FREE PHONES: Call 1-800-272-3000 to place an order. Our telephone hours are 8:00 A.M. to 6:00 P.M. (Central Time), Monday thru Friday. If you have trouble reaching us please call our local number, 931-553-8651. Our salespeople are prepared to take your orders by order (part) number and description only. For any assistance on orders, technical information or questions about past shipments, please call our business office at 1-931-553-8651. Please have order numbers ready to give to our operators before you call, this will save time and money!

MINIMUM ORDERS: The minimum amount we can process an order for is \$40.00. Any order less than \$40.00 will be assessed a \$5.00 service charge - no exceptions. Due to our low prices, we cannot process an order for less.

FFL DEALER QUALIFICATIONS: Current valid FFL with original signature, copy of sales tax certificate or business lic. and business address and hours. The FFL must be for engaging in the business of dealing firearms. (ie. FFL discount does not include Curio and Collectors) To maintain this discount, total of purchases must be a minimum of \$1,000.00 per year. FFL Can be faxed to 931-503-8037.

NON-FFL DEALERS: Information must be on letterhead, picture of store front with store name, list of store hours, complete address and phone/fax numbers, copy of business license, 3 business references, and a copy of your sales tax certificate. For further information on dealer sales call 931-553-8651 and ask for dealer accounts. (all other criteria for purchase of hazardous materials apply.) To maintain this discount, purchases must be a minimum of \$1,000.00 per year.

SPECIAL ORDERS: All special orders must be for an item that is over \$100.00. Special orders can take 4-6 weeks if available from the manufacturer. Once a special order is ordered it is done. No returns! No cancellations! No exchanges! Any problems with the item after delivery must be directed to the manufacturer.

CANADA & OVERSEAS ORDERS: LOOK AT OUR WEBSITE UNDER INTERNATIONAL ORDERS FOR MORE DETAILS. We will gladly accept orders from any country in the free world. The following items are regulated: bullets, brass and firearm components. Regulated items will be shipped by parcel post only. For all other goods we do offer Fed-Ex, or parcel post. We can not ship any liquids or sprays out of the U.S. **Fed-Ex shipping customers!** In order to expedite your package Fed-Ex may not charge you Tax, Customs and Duty fees at the time of delivery. You will see an additional charge to your credit card when we receive notification that duties and taxes were not paid on your shipment. (Fed-Ex sends customs documentation to us when these are not paid.) **WE MUST HAVE A SIGNED ORDER FORM (FAXED OR MAILED) IF YOU ARE USING A CREDIT CARD!**

Shipping Information

MIDSOUTH'S HONEST SHIPPING: We charge only what it costs to get a package from us to you. We do not use shipping as a profit center. We obviously want to keep your shipping charges as low as possible to keep you happy with our service.

HAZARDOUS MATERIALS CHARGE: Hazardous Material Transportation Charge will be \$25.00 per package (\$35.00 if Air service). If you order 5,000 primers or 20,000 primers, there is a \$25.00 charge. This charge is not per order, but per box leaving our shipping dock with a Hazardous Materials Label. Each case of powder is a \$25.00 charge. Powder and primers may be shipped together in any ground shipment for one hazardous charge provided the total weight of the order (including packaging) remains below 60lbs. We will always try to ship your boxes as economically as possible. **MSDS:** Sheets available for hazardous materials upon request.

COD FEES, SERVICE FEES & FREIGHT CHARGES: The UPS COD fee is now \$11.00 per box. Remember, this is not per order, but per box leaving our dock. If we must use 2 boxes, there will be 2 COD fees applied. If you place an order that requires several boxes for COD shipment, there will be a COD fee on each box. Freight is added to all boxes in addition to the COD fee. Freight Charges are based directly on carrier freight charts for your zone of shipment. See Payment and Refunds for COD Payment Requirements.

OVERSIZED BOXES: We try to ship all orders in as few packages as carriers will allow, but many of the large rifle and shotgun plastic carrying cases we sell are oversized for shipment. They cannot be mailed through the Post Office. Some of the cases weigh only 7 to 8 pounds but the 30 or 70 pound charge appears on your invoice. **HOW TO EFFICIENTLY USE THIS:** If you order other items we can safely put them inside the case and get up to 30 pounds or more, we then simply invoice the weight charge for the box. The extra parts must fit into the case (bullets, ammo, holsters, die sets and other small items work good for this).

Returns

RETURNS: Returns of non-defective, unused products must be in 30 days or authorized by MidSouth. No returns on powder, primers, percussion caps, ammo, software or liquids. There will be a up to a 20% restocking charge on all returned merchandise, except where we have shipped the wrong item. Sorry, no credit on returns until our return department or the factory determines the product is defective or packaging is not damaged for resale. All returns must have a return authorization. This is important! Software problems must deal directly with the factory. No returns on Special Orders. Returns on products manufactured by Savage, Nikon, Leupold, Burris, Streamlight, Barnett, Traditions & RWS must deal directly with the factory as well. Refunds on products over 30 days past purchase date will be issued in MidSouth Gift Certificate Only! Phone calls may be monitored for quality assurance.

Payment & Refunds

Sorry! We do not accept personal or business checks and we do not offer open accounts!

CREDIT CARDS: WE ACCEPT VISA, MASTERCARD, AMERICAN EXPRESS & DISCOVER ON THE PHONE, WEB, FAX & MAIL ORDERS. We must have your home mailing address for credit card verification. Just give us your name, address, phone number (home and/or work), card number and card expiration date. All cards are cleared through a Master Clearing Center.

MONEY ORDERS / CASHIER CHECKS: We do accept Money Orders and Cashiers Checks in US Funds only.

COD ORDERS & FREIGHT: All COD orders are shipped cashier check or money order only - through UPS Ground Service only (Sorry, no 2nd or Next Day service unless to Hawaii or Alaska). If this is not acceptable, please do not order COD.

REFUNDS: Credit / Debit Cards: Depending on your credit card agreement, refunds can take from 24 to 48 hours to show up on your account. **Money Orders and Cashiers Checks:** If any refund is due from prepaid orders it will be mailed to you. Please allow 10 (ten) days after shipping date to receive refund.

RETURNS AFTER 30 DAYS: Refunds on products over 30 days past purchase date will be issued in MidSouth Gift Certificate Only!

Restrictions

By ordering from MidSouth YOU assume all responsibility for your local laws and compliance of them!

RESTRICTIONS AND LOCAL LAWS: MidSouth Shooters Supply cannot possibly know all of the individual state, city and local laws and restrictions for all the products that we sell. Many states and cities prohibit particular products and YOU must be in compliance of the local laws concerning these products. If you place an order with MidSouth for products that may be restricted, you warrant us that you are authorized and in compliance with your local laws. **CHECK YOUR LOCAL LAWS BEFORE YOU PLACE AN ORDER.**

FFL'S & RESTRICTED ORDERS: If you have an FFL send us a copy for our files. We must ship these to the exact address on your FFL - no changes. Only authorized persons may place orders on FFL's. Due to new laws and restrictions in individual states, some restrictions may apply to specific items to states.

PRIMERS, POWDER & AMMUNITION: Proof of age is required in order to purchase Primers, Powder and Ammunition. You must be 18 to purchase these items (21 to purchase Handgun Ammunition)

Burris Laser Rangefinding Scopes

NEW! Burris Eliminator Laserscope II - Within a split second, the X96 Reticle shows your range, holdover and wind compensation. All calibrated for your specific load and cartridge. Above: Illuminated red dot indicates holdover. Just adjust your aim 1.7 dots into the wind and the trophy is yours.

- 999 Yards
- Accurate at ANY Magnification
- New Ergonomic Activation Buttons
- Enhanced Extreme Range Ballistic Programming
- Sleek, New Design

The Eliminator LaserScope II is one of the most innovative and effective hunting riflescopes in the world. Combining outstanding optics with pinpoint laser rangefinding and precision trajectory compensation with the exact ammunition you choose for your hunt, it eliminates most of the variables and guesswork that often cause hunters to go home empty-handed. In one fast sequence the Eliminator determines the distance to your target, factors in your trajectory and illuminates the perfect holdover. It's that simple.

For greater versatility, the new X38 reticle is designed to work at any magnification setting. Your Eliminator II significantly extends the range and accuracy of virtually any gun and any load. It is the perfect optic for centerfire and rimfire rifles, muzzleloaders and slug guns. No other riflescope combines this level of quality, technology, accuracy, repeatability and effectiveness. It will greatly increase the distance at which you can make an ethical shot. **Order No. 023-200114 M.A.P. \$999.00**

NEW! Burris Eliminator Laserscope III - The New Eliminator III with X96 reticle technology empowers the rifleman with even more accuracy, more range, and a method of windage compensation that is now perfected AT ANY MAGNIFICATION!

4x-16x-50mm

- 1200+ Yards
- Accurate at ANY Magnification
- Sleek, New Design
- Enhanced Extreme Range Ballistic Programming
- New Ergonomic Activation Buttons
- Parallax Adjustment 50 yd. to Infinity

With the Eliminator III, you can accurately range and hit targets out to 1,200+ yards due to its enhanced ballistic programming that incorporates both the Drop Number and Ballistic Coefficient of the cartridge and load you are shooting. Combined with the new X96 reticle that offers a convenient and accurate method for determining hold-off for wind at longer ranges, the Eliminator III delivers extreme accuracy at extreme ranges **Order No. 023-200116 M.A.P. \$1499.00**

Trijicon RMR Sights (Ruggedized Miniature Reflex)

Developed to improve precision and accuracy with any style or caliber of weapon, the Trijicon RMR™ (Ruggedized Miniature Reflex) is designed to be as durable as the legendary ACOG. Housed in rugged forged aluminum, the RMR is extremely tough yet lightweight. New easy-to-use adjusters with audible clicks allow for quick windage and elevation adjustments. The new Trijicon RMR™ is tougher than any alternative and suitable for military, law enforcement and hunting applications.

RM01: Trijicon RMR Sight (LED) – 4 MOA Red Dot - The RM01 is an LED sight powered by a standard CR2032 battery.

RM04: Trijicon RMR Dual Illuminated Sight – 7.0 MOA Amber Dot - The RM04 is a battery free sight, featuring Trijicon fiber optics and tritium.

EO Tech Sights and Accessories

EOTECH XPS Sight with 65 MOA Circle and 1 MOA Dot - Shortest model sight yet! This sight is smaller than the former N-cell battery sight (511/551) and runs on a single 123 battery. It also has a longer battery life than the N-cell style sights. With the single battery configuration, the XPS allows more rail space than ever, leaving more room for rear iron sights or magnification. Smaller, lighter and always fast; the XPS series is a great addition.

Order No. 196-XPS20 M.A.P. \$471.25

EOTECH MODEL 516 65 MOA Circle and 1 MOA Dot
The EOTech 516 is the ideal all purpose optic for Law Enforcement applications especially when partnered with an EOTech magnifier.

- Buttons on left side of sight (not in back) to work specifically with magnifiers
- CR123 Lithium batteries
- Reticle: 65 MOA ring with a single 1 MOA dot
- Raised 7mm base with knurled cross bolt
- Interfaces to 1" Picatinny (MIL-STD-1913) rail

Order No.

Fastfire III™ Red Dot Reflex Sight - The FastFire Red Dot Reflex sight is the most versatile red dot sight on the market. Mount it on your favorite handgun, shotgun or hunting rifle for greater accuracy and faster target acquisition. You won't need to worry about sight alignment, eye dominance or finding your target. Just put the red dot on your target and pull the trigger.

Compact and lightweight, the FastFire won't affect the balance or handling, plus it offers unlimited eye relief, parallax-free 1x magnification and simple operation.

AR-F3 Flatop FastFire Sight - For AR and carbine shooters, Burris offers a complete package with the new AR-F3 Flatop FastFire Sight. This bundles a FastFire III with 3 MOA dot and rugged protective mount that's range-ready right out of the box. It's the simplest and most effective way to mount the FastFire III on an AR flattop as a stand-alone sight or as a co-witness for your iron sights. The FastFire sits low in the mount and a pair of metal wings on each side of the lenses protects the sight from impact or unintentional abuse. For added convenience, there is a lower compartment for spare battery storage, open-end wrench and Torx® wrench. Fits any Weaver or Picatinny-style base.

Order No. 023-300215 \$299.00

BURRIS

Fastfire II™ Red Dot Reflex Sight - The FastFire dramatically increases speed and accuracy. It simplifies the act of aiming, eliminating the need to focus on and align the front sight, rear sight and target. With the FastFire, the aiming red dot and target are always in focus and properly aligned for the ultimate in accuracy.

Weights a mere 1.6 ounces.

The FastFire housing is made of metal for strength and durability. It's lenses are precision ground and polished to exacting geometries to virtually eliminate parallax and to provide a very clear crisp sight picture. It is fully windage and elevation adjustable and lockable. It features both an on/off switch and a light sensor that automatically adjusts the dot's brightness to the available light. The included plastic hood covers the light sensor and puts the unit in sleep mode when the on/off switch is set to "on."

Powered by a lithium CR2032 battery, Picatinny Mount allows mounting on just about any rifle. Special bases are available for the most common firearms.

Burris SpeedDot 135 - Features a 35mm main tube that is nitrogen filled and sealed to be waterproof and fog proof. TheSpeedDot 135 features fully coated lenses for a bright, sharp, clear, and non-reflective sight picture. Each SpeedDot includes Weaver-style rings, lens covers, and an easy-to-find #2025 camera battery with a 200+ hour life at the highest setting. Order No. 023-300200 \$199.00

Burris Red Dots and Electric Sights

AR-536™ Prism Sight - "Bigger and badder" is the best way to describe the AR-536 which sets a new standard for tactical prism sight performance.

Its 5x magnification makes it easier to find and engage targets out to 600 yards, while the larger 36mm objective delivers brighter, crisper images.

Burris' proven Ballistic/CQ™ lighted reticle is ideal for tactical operations or friendly competition. Shooters can choose the high contrast black reticle, or select red or green depending upon the situation. Five different illumination settings make it easy to match any light condition. Order No. 023-300210 \$399.00

XTS-135

Burris Spotting Scopes

XTS-2575 Spotting Scope - A high performance Cassegrain-style mirror system design allows us to offer this high-magnification, high-resolution 25X-75X-70mm spotting scope in an extremely lightweight, compact configuration. The XTS 2575 weighs in at a mere 33 ounces and measures only 10" long, 5" tall and 3.6" wide.

Features an adjustable angled eyepiece making it ideal for viewing in a sitting or prone position. Every lens surface is broad band multicoated for reflection-free, ultra bright viewing and the XTS 2575 is waterproof, fogproof and highly shock resistant. Order No. 023-300101 \$239.70

High Country Spotting Scopes - Burris has always believed a sportsman shouldn't have to spend a week's pay for reliable spotting optics. High Country Spotting Scopes reflect that vision. In the practical 15X-45X-50mm and the potent 20X-60X-60mm models, both High Countrys have handsome and stealthy rubberized, waterproof exteriors and sharp, fully multi-coated lenses. An integrated lens cap on the slide-out sun shade keeps away dust and is near-impossible to lose.

	Order No.	Price

Trijicon AccuPoint Scopes

Trijicon AccuPoint® - The Trijicon AccuPoint features advanced fiber optics and several intelligent features that make this scope the right choice for all light conditions and even the harshest environments. All models in the AccuPoint® Series operate battery free—eliminating the potential for failure during critical moments in the field. They also feature Trijicon's Manual Brightness Adjustment Override, which allows you to control the light output of the fiber-optics during daylight. AccuPoint® riflescopes include other advanced elements like multi-layer coated lenses for superior light transmission with no distortion, quick-focus eyepiece, long-eye relief, and precise windage and elevation adjustments.

Elite 6500 Scopes

Elite 6500 Riflescopes - Here is a versatile rifle scope, featuring a 6.5x magnification range, the widest in the industry. These scopes are ideal for hunters who want a scope they can use in the brush as well as on the wide-open prairie.

Push/pull turrets with resettable zero make sighting-in easier than ever. The extended 80-MOA of windage and elevation adjustment travel (with .25-MOA clicks) make this scope a "must have" for the hunter who shoots a broad range of game and at distances that vary greatly. All models have a one-piece 30 mm tube. Fully multicoated optics with RainGuard®, for a consistently sharp, clear view even in the worst conditions.

Burris Fullfield II Scopes - Fullfield II's incorporate more forgiving fore/aft, left/right eye positioning and combine lighter weight with shorter length and added strength. Potential leak paths in the eyepiece/ power ring area are sealed like the rest with special quad seals rather than O-rings. European-style adjustable eyepiece requires no locking mechanism.

Leupold Reticles

Leupold VX-II Series - The Multicoat 4 system is used on all VX-II riflescope lens surfaces, external and internal. It increases the amount of available light that reaches the eye and minimizes reflections on the outer eyepiece. As a result, the system enhances image brightness and clarity, and improves contrast in low-light conditions. 1/4 Min Clicks

Leupold Illuminated Reticles

VX-3 Scopes Feature Leupolds XT- Xtended Twilight™ lens technology that targets and raises the light wavelengths most commonly found in near-dark and twilight conditions.

Leupold VX-3 Series - Leupold's® family of Golden Ring® VX-3 riflescopes replaces and improves on the popular VX® III line with lens coatings and reticle options. VX-3 riflescopes feature a coating system, Leupold's Index Matched Lens System™. In some VX-3 scopes, total light transmission can reach as high as 98%. Each model features finger-adjustable, 1/4-MOA "click" windage and elevation. Lockable, fast-focus eyepiece. All side focus models have a 30mm main tube for increased range of windage and elevation adjustments. Waterproof - each scope is filled with nitrogen and sealed with Leupold's proven process to keep out moisture. Side focus parallax resolution dial on all models of 4.5-14 power and higher (except the EFR model) for easy adjustment from all shooting positions.

Leupold VX-3 CDS™ models allow you to quickly dial your elevation to different sight-in ranges with a custom adjustment matched to your specific ballistics information. The CDS dials change out easily, allowing you flexibility with different loads, conditions and calibers. Included in the box is a coupon and instructions for redeeming your CDS dial through Leupold.

Leupold Rifle, Pistol and Shotgun Scopes

Leupold FX Series Riflescopes - This series of fixed power scopes is for hunters that appreciate the ruggedness, accuracy and purity of a fixed power riflescope. FX-III Models Feature the same index Matched Lens System and other features as the VX-3 Riflescopes. FX-II riflescopes offer the same features and MultiCoat 4 lens system as the VX II.

Weaver Classic™ Handgun Scopes - These maintain accuracy, clarity and reliability under the jarring recoil of today's most powerful handguns. Solid, one-piece tubes keep lenses locked in perfect alignment, shot after shot. Fully multi-coated lenses cut glare and increase brightness dramatically for a clear, crisp image all the way to the edges of the scope. Weaver Classic handgun scopes also provide an impressive 4 to 12 inches of eye relief.

Zeiss Conquest Riflescopes

Zeiss has introduced the Conquest Line to offer hunters top of the line optics, and glass at a mid-price range. Adjust windage and elevation with a fingers touch, and Zeiss's quick focus allows you to make split-second field adjustments. One piece construction and hard anodized surface make it as tough as the rest of the Zeiss line. Compare the price to the rest of the mid-range scopes and you will be shocked! (* Notes Closeout Items - Limited Quantities)

Warne Tactical Rings & Bases

Matte Finish Only

Warne's Tactical Rings are built to meet real world needs of tactical personnel. Made to 1913 Mil-Spec Picatinny dimensions. These feature Warne's stainless steel recoil lug, Three Torx style fasteners at the top, and a unique clamping nut. This nut works with the standard 65in/lb torque wrench, but also has knurling and cross slot so other tools can be used to remove/attach in emergency situations. Return To Zero when reinstalled!

How to pick a base...

See the fit chart on the following pages to select the base or bases for your rifle, then find the order number in this section. Be sure you have the correct order number that works with your gun!

1pc- Listed next to the Base number means only one part is required for mounting rings.

1/2- Listed next to the Base number means two parts are required for mounting rings.

Grand Slam Steel Detachable Top Mount Bases

Look For Grand-Slam Ring Mounts listed in far right chart column.

Quick Release Rings & Bases (QR)

Remove and reattach a scope using Leupolds QR™ mount and still return to within half an inch of the original point-of-impact on the target. Machined steel construction.

Lever engages the base of the ring, pulling it down and forward on the base, locking it solidly into its "zero" position

QR Ring Heights	Covers both the 1" and 30mm Rings

Burris Signature Rings

Signature rings provide tremendous gripping power, a scratch-free and stress-free mounting method as well as scope value preservation. By putting a synthetic pivoting insert within a steel outer ring, your scope-to-ring surface area contact becomes virtually 100%.

Note! 1" Signature Rings are shipped with one set of concentric inserts. 30mm Signature Rings are shipped with one set of concentric & +/- .010 inserts.

B-Square Classic Military Mounts

1903 Springfield. Replaces the gun's magazine cut-off. Quick on and off with no change in zero. Windage and elevation adjustments. See under type allows use of gun's sights. Includes rings.

Order No. 080-18477 \$33.29

B-SQUARE

SMLE MKI 4, 5 & MKIII 1 - See under type so gun's sights can be used. Easy to install, and comes with 1" rings.

	Order No.	Price
SMLE MKI #4 & #5, Blue Finish	080-18564	\$26.63

Savage 340 Base and Rings - B-Square makes a professional scope mount for these fine rifles. The gun's sights can be used with the scope installed. Socket screws and wrench are furnished for easy do-it-yourself installation.

Order No. 080-14600 \$46.61

B-Square Sporting Rifle Mounts

Mini-14 Mount - B-Square's no-gunsmithing dovetail mount for the Mini-14 is easily installed by simply replacing the gun's bolt stop cover plate with B-Square's cover plate. No drilling, tapping or sight removal is required. A large clamping knob allows easy on and off without change of zero. The mount has windage and elevation adjustments. Includes rings.

B-SQUARE	Blued Mini-14 Mount Dovetail w/rings	Order No. 080-14502	Price \$59.92
	Stainless Mini-14 Mount Dovetail w/rings	080-14506	\$9.92

B-Square Modern Military Mounts

NO TAPPING NO DRILLING NO GUNSMITHING

Includes 1" Rings

AK-47 / MAK-90 - Receiver mount for Chinese models. Attaches using steel trigger bolt and hammer bolt. Standard dovetail base accepts Weaver Style Rings (Included).
Order No. 080-18600 \$33.29

M 1 Garand - B-Square's sniper rifle mount for the famous M1 Garand rifle attaches to the rear sight brackets and clamps onto the receiver's side at forward end for a rugged, no movement mount.

The mount is offset to the left to allow loading. It has elevation adjustment so any scope can be used. Comes with 1" rings; wrenches and instructions for easy do-it-yourself installation without destroying the arsenal condition of this fine rifle. Blue Finish w/rings.

Order No. 080-18554 \$46.54

FN-FAL/LAR/L1-A1 Replaces the gun's dust cover and clamps to the receiver for rigid, no movement mounting. Standard dovetail base includes "see-thru" rings.

Order No. 080-18500 \$33.29

M1A/M14 - This military mount for the M1A/M14 rifle is quick on and off with a single knob attachment and returns to zero. It has elevation adjustments to help align hi-power sniper scopes and is see under so the gun's sights can be used with the mount installed. Standard dovetail and NATO Stanag provisions. Comes with 1" dovetail rings. Long enough for mounting all red dot and military devices. Blue Finish
Order No. 080-18514 \$59.92

B-Square Revolver and Automatic Pistol Mounts

B-Square Tactical Tri-Ring Mount & AR-15 Mounts

AR-15 Mounts - B-Square's AR-15/16 military mount has both NATO Stanag and standard dovetail provisions so military optics or standard scopes, rings and devices can be used. It has a military finish to match the gun. Also available: Flat Top AR15 base - both come with rings.
