## Diamonds make the difference

Swiss Diamond's innovative and award-winning design contains diamond crystals that conduct heat better than copper. The patented process uses up to 200,000 diamond crystals in every piece which makes Swiss Diamond Cookware the most durable nonstick cookware available. Made in Switzerland of heavy-duty, pressure-cast aluminum that won't warp and spreads heat evenly without hot spots. Perfectly flat base for use on all ceramic, gas, and electric cooktops. All Swiss Diamond cookware is oven safe up to 500°F, metal utensil and dishwasher safe. The nonstick composite interior offers a durable, easy to clean cooking surface. Best yet, it browns better than any nonstick cooking surface available today!

**200,000 diamond crystals** in every piece of Swiss Diamond Cookware make it the most durable, heat efficient nonstick cookware available.

# American<sup>™</sup> KITCHEN

AMERICAN MADE QUALITY

## Welcome to American Kitchen

American Kitchen<sup>™</sup> cookware is an expression of style, function and quality. An impact-bonded aluminum core base is encapsulated in stainless steel to provide superior heat conductivity. Stylish, brushed satin exterior provides outstanding function with lasting beauty. Capacity marks etched inside cookware offer a convenient visual measurement guide. The cast stainless steel handles stay cool during stovetop cooking. American Kitchen's tempered glass covers allow easy monitoring of cooking process and are heat and shock-resistant. Oven safe to preheated 500°F/260°C. (Nonstick Pans oven safe to 400°F/204°C) Proudly made in the USA by Regal Ware Worldwide<sup>™</sup>

## Nonstick Fry Pans

from the American Kitchen Collection feature Eco-Satin<sup>™</sup> coating which is oven safe to 400°F/204°C. The Eco-Satin<sup>™</sup> nonstick finish is also biodegradable and no PFOA is used in the production.

#### B. Energy saving cooking

Fissler's CookStar Induction Pro Portable Cooktop is stylish and boasts a sleek black profile with a frameless glass ceramic surface. It features a 1500 watt motor that is powerful enough to boil water in less than a minute. One-touch keep warm and booster functions, 3 year warranty from Fissler. Made in Germany. Cook and grill table-side.

14.4" x 11.1" x 2.9" \$370 **Special \$299**

#### C. One pan does it all

The UL-listed Blue Point Pressure Pan Set is safe, simple to use, and easy to clean. Use it for low-oil grilling, searing, frying, sauteing, steaming, and pressure cooking. Unlike cookers of the past, the Blue Point Pressure Pan is silent & features multiple safety mechanisms. Set includes 10.2" 4.2 qt. honeycomb-textured skillet, pressure lid, glass lid and steamer/fryer basket.

\$320 **Special \$255**

#### D. Perfect for fast low-fat frying

The 11" Crispy Steelux Frypan features the patented honeycomb texture and CookStar all-stove base. \$190 **Special \$150**

#### E. Prevent spills and spatters

Hook the Clippix Spatter Shield to your Steelux Frypan handle to reduce condensation and grease for mess-free frying. \$60 **Special \$45**

#### F. Fry, steam, poach & even grill!

The stunning Original Pro Collection flat-bottom wok features a large CookStar base, Novogrill texture inside, and extra-large stay-cool handles. 13.8" diameter.

\$315 **Special \$250**

The flat & fully encapsulated CookStar all-stove base ensures that the base will never separate or warp.

#### Look Inside

Each pan features Fissler's signature Novogrill cooking surface—a unique honeycomb texture for fast, low-fat frying.

When the Shield is placed in the upright position, condensation drips back into the pan, not on the stove.

#### BONUS!

Introduced in 1986, VINUM was the first machine made series of glasses in history to be based exclusively on the characteristics of grape varieties. VINUM, functional, high in quality, reasonably priced and widely distributed, has had a permanent impact on the Globe's wine glass culture. These glasses have proven to consumers that the pleasure of consuming wine starts with the glass. The VINUM collection, developed by Georg Riedel on the principle that the content commands the shape, is the "vitrum-vinothek" for every day use.

**A. Turn a sip into a celebration**

Riedel's Sommeliers Bordeaux Grand Cru/ Cabernet glass in mouthblown lead crystal is individually crafted in Austria: the upper part blown into a mold and the stem and base hand-crafted using Old World methods. **\$125**

Also available:

**Set of 2 VINUM Wine Glasses**, gift boxed Zinfandel **\$49.50**

Sauvignon Blanc/Dessert **\$55**

Montrachet/Chardonnay **\$59**

Bordeaux/Cabernet **\$59**

Burgundy/Pinot Noir **\$59**

**Perfect pairing**

We are pleased to present the exquisite collection of lead crystal Decanters created by the Riedel family of master glassmakers. Riedel Decanters are shaped to maximize the wine's contact with the air, improving the bouquet.

**B. Face to Face Decanter \$495**

**C. Eve Decanter \$495**

**D. Trio "O" Red+White Glasses**

This glass is a workhorse—from water to ice tea to mixed drinks, from your favorite rosso (or rouge) to a quaffable bianco or crisp blanc. Thin, perfectly balanced and a pleasure to drink from, it is an every day, go to glass that can take whatever you pour. **\$36**

**E. Vitis stands tall**

Riedel's highest machine-made lead crystal glass is the pinnacle of modern stemmed-glass technology featuring highly sophisticated grape variety specific bowls on a pulled stem. The name Vitis = Latin = vine. Includes one of each glass: Cabernet/Merlot, Burgundy/Pinot Noir, Sauvignon Blanc/Riesling, Chardonnay/Montrachet **\$177**

**F. No more broken stems**

The Riedel "O" is an innovative take on the wine glass—ideal for everyday and for every occasion.
