## Selling Points

### 1 A Floating Design that Tilts for Touch

Experience touch and productivity with the award-winning Acer Aspire® 7600U All-in-One PC. This 27" touch-screen display is housed in an 1.4" ultra-slim transparent, floating design that brings style and elegance to any space. Integrated 2.0MP Webcam, Mic and speakers let you live-chat with friends just like its face to face.

Adjust the A7600U to virtually any viewing angle—from 30 to 80 degrees—from one hand and the big screen becomes an entertainment tablet. The anti-scratch glass finish facilitates an intuitive 10-point multi-touch experience for smooth interaction that's fun. New hand-gesture controls provide a brand new way to interact, just wave your hand.

The included wireless keyboard and mouse match the 7600U's floating design, while an exclusive wall-mount kit lets you streamline your décor with a clean, uncluttered appearance.

### 2 Premium Sights and Sounds

Immerse yourself in your entertainment on the stunning 27" Full HD widescreen 1080p edge-to-edge LED-backlit display. Enjoy the hottest full HD movies on the Blu-ray disc or easily tilt the big screen until it becomes an entertainment tablet on the desk. Play games, flip through photo albums, control multimedia and more using nothing but your fingers.

Immerse yourself into movies, music and games in virtual surround sound, thanks to Acer 2Wx2 speakers by CONEQ™ sound technology from Real Sound Lab.

HDMI ports let you easily connect your HD media devices, like game consoles, for even more fun or extend your view to your TV for big-screen enjoyment.

With AcerCloud, your PC's storage IS your cloud storage, with wireless access to your photos, music, videos and documents—wherever you are, on any PC, on all your devices!

### 3 Full Speed Ahead

A 3rd Generation Intel® Core™ i5 processor with Turbo Boost Technology and 8GB memory deliver the seamless multitasking performance needed to take advantage of the latest in digital media, photography and gaming. With Intel® HD Graphics, enjoy an integrated solution that delivers excellent speed and functionality.

The new USB 3.0 works up to 10x faster than older USB 2.0--and you can even charge your USB devices when your PC is asleep, hibernating or off!

Share your files and connect to other Bluetooth devices like printers and phones fast with Bluetooth 4.0.

Windows 8 has been re-imagined to be all about you. Put what matters most right on your Start screen, and get instant access to your people, apps, sites and more, so you can spend less time searching and more time doing. And with a combination of the touch display and the new Windows 8 you get a fast and fluid working environment. Quickly zoom in or out to customize your view and group, label, and rearrange apps on your Start screen.

### Taglines

Simply Stunning!

### Positioning Statement

Simply stunning! The Acer Aspire® A7600U 27" All-in-One Desktop delivers the power of a multimedia PC with the comfort and convenience of a tablet-like touch experience, showcased in an elegant, floating design that's only 1.4" (35 mm) thin! The 27" Full HD edge-to-edge display delivers Full HD entertainment, accompanied by premium sumptuous sound. Powerful 3rd Generation Intel® Core™ i5 processor performance, Windows® 8, ample memory and 1TB storage make it easy to complete tasks quickly, access media and more.

Product specifications subject to change without notice

Actual product may vary from image shown

Accessible capacity varies; MB = 1 million bytes; GB = 1 billion bytes

<sup>1</sup> Limited warranties and service agreements apply; visit gateway.com or call 1-800-846-2000 for a free copy. Service agreements are issued and performed by third parties. May not be available in all locations. Phone charges may apply for tech support.

<sup>2</sup> 60-days of complimentary subscription. Internet connection required to start trial.

<sup>3</sup> Additional fees and conditions apply.

<sup>4</sup> Overall system performance is based on several PC attributes. GHz, processor clock speed, is one of the attributes. Intel Turbo Boost Technology performance varies depending on hardware, software and overall system configuration.

<sup>5</sup> Shared system memory may be allocated to support integrated graphics, depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by the amount of dedicated and shared system memory utilized by the graphics solution and resources required by the operating environment.

<sup>6</sup> Microsoft Office 2010 Trial included. After or during the 60-day trial purchase an Office 2010 Product Key to activate one of the following Office 2010 suites preloaded on this PC: Office Home and Student 2010, Office Home and Business 2010, Office Professional 2010.

<sup>7</sup> Additional fees and conditions apply.
