Product Description

When a man has won all of his battles and defeated all of his enemies; what is left for him to achieve? Ezio Auditore must leave his life behind in search of answers, in search of the truth. In Assassin's Creed® Revelations, master assassin Ezio Auditore walks in the footsteps of the legendary mentor Altaïr, on a journey of discovery and revelation. It is a perilous path — one that will take Ezio to Constantinople, the heart of the Ottoman Empire, where a growing army of Templars threatens to destabilize the region.

In addition to the culmination of Ezio's award-winning story, a refined and expanded online multiplayer experience returns with new and additional modes, maps, and characters, allowing you to test your slaying skills against others from around the world.
