A Message from SANUS

Dear Valued Customer-

Thank you for making SANUS a part of your lifestyle. We truly appreciate your interest in the SANUS brand and personally guarantee your satisfaction.

What initially started as a simple plan to improve entertainment acoustics has grown to provide a wide variety of in-home entertainment solutions. While our technologies and products are constantly evolving to enhance experience and performance, our mission to provide safe, secure and simple solutions for all to enjoy has remained our top priority. We not only test our products to UL standards, but we also put them through an additional rigorous regimen to ensure that you have the highest-grade product available.

If at any time you find yourself with a question or concern, please do not hesitate to contact our customer service team, available 7 days a week, or simply visit **www.sanus.com** where you can locate product information, installation videos and other useful specific information.

We hope you enjoy the SANUS brand as much as we enjoy having you as part of our extended family. Thank you again and enjoy!

The SANUS Family

SANUS MountFinder™

The SANUS MountFinder™ tool is a comprehensive TV and product database that takes the guesswork out of finding the perfect mount. Simply enter the brand and model number of your TV, and the SANUS MountFinder™ tool will display all compatible SANUS mounts.

If you are unsure of your model number or if your particular television or monitor is not listed in our database, our advanced SANUS MountFinder™ tool allows you to search for compatible SANUS products based on the physical specifications of your TV or monitor.

SANUS HeightFinder™

The SANUS HeightFinder™ tool helps you mount a TV at your ideal height by determining a drilling location based on your preferences. Simply enter your TV brand and model number, your SANUS mount model number, and your desired height information, and the SANUS HeightFinder™ tool will calculate the correct elevation to drill into the wall. This useful tool makes it easy for installers and DIYers to mount a TV at the right height for optimum picture quality.

Online Videos

You can watch installation videos, feature and benefit videos and motion videos for your specific TV mount online.

m.sanus.com: Completely redesigned and faster than ever

Visit the SANUS mobile site for fast, easy access to valuable wall-mounting resources. Helpful product information, product videos, and tools like the SANUS MountFinder™ and HeightFinder™ are all available at your fingertips using your mobile device.

The SANUS Install Tool Kit™ iPad and iPhone app makes finding and installing the perfect mount as easy as possible. Available through iTunes®, this free app puts helpful tools and information at your fingertips.

SANUS MountFinder™ Tool

The SANUS MountFinder™ tool matches TV brand and model numbers with compatible mounts.

SANUS HeightFinder™ Tool

The SANUS HeightFinder™ tool calculates ideal drilling locations based on personal TV height preferences.

SANUS ProSetLevel™ Tool

The SANUS ProSetLevel™ leveling tool easily calibrates to any surface, allowing a TV to be aligned to any nearby surface for an even appearance.

MyNotes

The MyNotes feature records, organizes and emails installation notes.

Mount Simulator

The mount simulator allows an iPad or iPhone to simulate a TV’s range of motion when combined with a specific mount.

Why Mount

The “Why Mount” feature outlines the specific benefits of a mounted TV, including performance, space, style and safety.

Why Choose SANUS

The “Why Choose SANUS” app feature describes the Six Sides of SANUS with fast facts for each.

Which Mount

The “Which Mount” feature details the different mount motion types and when each is appropriate to use.

A complete line of exceptional mounts

for any AV application in the home or office

SANUS VisionMount low-profile mounts position your TV at the optimal viewing height and are specially designed to sit nearly flush with the wall, so your TV hangs like a painting. This slim mounting solution maximizes the sleek, thin look of flat-panel TVs and is a great option in rooms where the main viewing area is directly in front of the TV.
