INCREASED SALES & PROFITS!

L&R Distributors, Inc. has been in the wholesale distribution and service business for over 60 years. We presently service all classes of trade; pharmacies, supermarkets, and many other retail outlets throughout the continental United States. We now have facilities on both East and West coast, logistically positioned to meet our ever expanding customer base.

We presently maintain over 20,000 sku's in over 45 categories!

Our inventory diversity includes cosmetics, bath, fragrance, hosiery, hair care, school supplies, seasonal, party goods, electronics, appliances, toys and much more. We constantly update our mix so that as fashions change you are ahead of the curve. We maintain a constant in stock position of 97% or greater on active items for all brands.

We offer in-store product merchandising for all categories that we distribute!

The L&R distribution programs offer reduced operational costs by providing a one source of supply for categories with multiple vendors. We provide consolidated invoices, planograms, deliveries, one payable, one sales contact and one sales team to answer all of your needs. We reduce headaches and stress for your Management team so that they can once again manage and we will focus on operations. L&R has also found that our programs reduce inventories while increasing sales. Our experienced personnel keep stores at the right inventory position day in and day out. All potential sales are maximized while inventories are designed against pull. Steady growth, embracing change, and hiring the best people allow L&R to offer our clients great distribution programs.
