We are available for pickups and deliveries at other times with prior arrangement. Delivery charges are based on distance from our location to the drop off site. Please note that holidays may affect our normal business hours.

Rental Periods & Rates:

Fees are based on a daily or weekly rental period with the understanding that this is a rental agreement only and not of sale. Equipment is due back by 1:00PM on the specified return date unless prior arrangements have been made. Equipment not returned on time is subject to additional rental charges solely at the discretion of HB Sound & Light. These charges may be charged, at HB Sound & Lights discretion, to the major credit card on file for this rental. No refunds or credits will be issued for equipment returned late.

Delivery & Pick-up:

All equipment is rented on a pick-up and return basis from our business location. HB Sound & Light is happy to provide delivery and pick-up services for an additional charge.

Deposits:

A security deposit equal to the full value of the equipment rented may be required. Requirement is at the sole discretion of HB Sound & Light. Deposits must be paid at the time of equipment issue in addition to the rental fee. Deposit payments must be paid in cash, bank check or on Visa, Mastercard, or American Express. Rental deposits will be refunded upon return of all equipment on time and in as lent condition. You agree that the amount of deposit returned may be adjusted for late fees, damages, and/or actual replacement cost of the equipment rented. Security deposits will be refunded by company check.

Reservations:

Equipment may be reserved by telephone for any future date. A reservation is deemed confirmed when we have received your credit card information. This card will only be charged in the event of a cancellation or if you elect to use it for payment of the rental fee. If equipment is reserved and not picked up or cancelled, the credit card will be charged 25% of the total invoice for a one day rental and one day for a weekly rental. If notice is given more than 48 hours prior to the scheduled pick up, there will be no cancellation fee. We may at our discretion waive the cancellation fee but by doing so we are not waiving any rights under the rental agreement.

You agree to return all equipment in as good condition as when you received it except for ordinary wear and tear. You may not assign or pledge the equipment to any other party. Customer is solely responsible for all equipment rented while in possession of, under storage, in use or in transit. You assume all risks of loss.
