Toner Cartridge Q2612A for HP LaserJet 1012, 3015, 3030

HP

Dual-polymer toner produces crisp details, solid blacks and smooth grayscale. Helical roller drives eliminate uneven shades of gray. Extremely fine, organic, photo-conductor (OPC) sensitivity advancements for halftone imaging and grayscales. HP TonerGauge technology in most current HP LaserJet printers enables users to easily monitor toner usage and minimize downtime. HP-patented, chemically grown, color toner produce highly consistent, true-to-life color. Innovative toner formulation for crisp output. Designed to meet business printing demands. Easy-to-use and maintain due to new architecture. HP printing solution for cost-effective use. HP LaserJet print cartridges are backed by a LIMITED LIFETIME WARRANTY. HP LaserJet Cartridges: Warranted to be free from defects in materials and workmanship until low cartridge life is indicated on the printer control panel, the Supplies Status Page or until the original HP toner is depleted.

Toner Cartridges for HP LaserJet 1200, 1220, 3300 Series

HP

UltraPrecise™ cartridge technology produces sharper lines, finer details, and quality graphics. The smaller size of the dual-polymer toner particles fuse at a lower temperature resulting in more consistent output, smooth grayscales, and fine details. Helical roller drive mechanism creates a smooth, fluid interface between the printer and print cartridge, eliminating banding and uneven gray areas. Magnetic seal provides leakproof sealing over the entire life of your cartridge.

Toner Cartridges for HP LaserJet 4600, 4650 Series

HP

HP Color LaserJet 4600 smart print cartridges are designed to work precisely with HP Color LaserJet 4600 printers for outstanding results. New toner formulation, cartridge architecture, and smart features. Uniform color density and great print registration. HP supplies work with your LaserJet printer to ensure optimum output and let you know when they need to be replaced. Easy to install and replace. High yield individual color toner cartridges reduce waste and save time. Second generation chemically-grown toner for more accurate and consistent color print quality. Improved pigments and gloss properties result in wider color gamut and better color appearance. Smart printing features for intelligent supplies management.

Toner Cartridge C4129X for HP LaserJet 5000 Series

HP

UltraPrecise™ cartridge technology produces sharper lines, finer details, and quality graphics. The smaller size of the dual-polymer toner particles fuse at a lower temperature resulting in more consistent output, smooth grayscales, and fine details. Helical roller drive mechanism creates a smooth, fluid interface between the printer and print cartridge, eliminating banding and uneven gray areas. Magnetic seal provides leakproof sealing over the entire life of your cartridge.

Item Number	Description	Your Price	Units
